Hopewell Middle School Media Center

6th and 7th Grade YA Permission Form

The Hopewell Middle School Media Center includes a section labeled Young Adult (YA). Books in this section have been reviewed and designated as YA by professional library journals (e.g., *School Library Journal*, *Booklist*) and are generally recommended for students in grades 8-12 due to more mature content or themes.

We will allow 6th and 7th grade students to check out books from the YA section only with signed permission from a parent or guardian. If you would like to grant permission, please select one of the options below and have your student return the form to the Media Center.
