- Re-do's will not be allowed if a student had any missing assignments prior to the assessment.

Requesting a Re-Do

- The student must submit a **Re-Do Request Form** (or email the teacher) within **5 school days** of receiving the graded work.
- The request must include a plan for improvement (what the student will do differently).

Requirements

- Students must attend a **tutoring session, study hall, or teacher conference** before re-doing the assignment.
- The re-do must be completed and turned in within **7 school days** after approval.
- The new work must show **significant improvement**—simple corrections without deeper changes may not qualify.

Grading

- The highest possible grade for a re-do will be **up to 70%** (or teacher discretion).
- The higher of the two grades will be recorded (with a note indicating it was a re-do).

Limitations
