Written Parent/Guardian Authorization for Administration of Acetaminophen (Tylenol) Calcium Carbonate (Tums) PER STANDING MEDICAL ORDERS

Student Name: _____ Date of Birth: (M/D/Y) _____

Current Grade: _____

Medication will be administered for the current school year: _____

Please check one or both of the following:

- High School/GSSA students will receive the standard recommended dose of 650mg of regular strength Acetaminophen (Tylenol) per standing order. (Only tablets are supplied by the school; if a child cannot swallow tablets, the parent/guardian will supply chewable or liquid.)
- High School/GSSA students will receive the standard recommendation of 2 tablets (750mg per tablet) of Calcium Carbonate (Tums) per standing order for mild upset stomach.
 - I understand the Acetaminophen (Tylenol) and Calcium Carbonate (Tums) will only be administered by the nurse in school
 - It will not be available for in state, out of state, or out of country field trips

One-time verbal permission, followed by this form to be signed by Parent/Guardian.

Parent/Guardian Signature: _____ Date: _____

Please return this form to the High School Health Office:
