President Baker, Dr. Moore, Cabinet and Board: Thank you for the opportunity to speak to you at the last board meeting. Thank You for listening to me. I am excited that Dr. Spaulding was able to work with us to get this done as quickly as he did. This proves to the ten of us, you do hear us, and value the Early Education Teachers at the Children's Center, Martin and Hillside campuses. Again, thanks to all the hard work Dr. Spaulding put in to get this done, it is very much appreciated!!!

The Jefferson Elementary School, Jefferson Union High School districts, and Skyline College all are currently constructing or have already completed brand new affordable housing complexes around the peninsula strictly just for faculty and staff. When is SSFUSD going to do this for their employees? Why haven't board members discussed, forecasted, or planned something like this for the district years ago?
