RE: Approval of Permission for ECHS Students and Teacher Sponsors
to Travel to Indianapolis June 20-23, 2022 to Participate in the
National Competition for the Multiplying Good National Celebration
of Service

BACKGROUND:

Every year, SIA (Students in Action) students from across the country present community service projects at a regional competition. After competing in their respective regions, one school may move on to the national ceremony. This year the El Camino HS SIA club took first place in the North California region. The Multiplying Good Foundation will be sponsoring the ECHS SIA and provide funds for three student presenters and the faculty adviser to compete at the National Celebration of Service at the Indianapolis Marriott Downtown from June 20-23, 2022. Mikayla Levene, Emily Mozzetti, and Abigail Verino, accompanied by their faculty advisers, Mr. Padilla, and Ms. Marlis Ringseis will present their project at the National competition on June 21-22. The results will be announced June 23. The ECHS contingent will return home June 23 following the events of the week.

FISCAL IMPLICATIONS:

The Multiplying Good Foundation is providing funding for the registration costs, hotels, transportation, and other administrative expenses for this trip. No student will be denied the opportunity to participate due to financial constraints. The site will cover the cost of the advisers' overnight stipend.

RECOMMENDATION:

It is recommended that the South San Francisco Unified School District Board of Trustees grant permission for El Camino High School SIA students and their teachers-sponsors to participate in the Multiplying Good National Celebration of Service in Indianapolis from June 20-23, 2022.

Congratulations! Because you received the honor of *Most Outstanding Students In Action Team from San Francisco Bay Area* your team will be representing your school and community as a **national Jefferson Award nominee** in a few short months. Those of us here at Multiplying Good applaud your efforts to make a difference through service to others and are humbled by your commitment to giving back.

Multiplying Good, the awarding organization of the Jefferson Award, was established by former First Lady Jacqueline Kennedy Onassis, Senator Robert Taft, Jr., and Samuel S. Beard in 1972, and the Jefferson Award is our country's longest running and most prestigious honor celebrating public service and volunteerism. That makes this our **50th Anniversary** and, to commemorate this milestone, we are gathering in **Indianapolis, Indiana, June 21-23** for a community building celebration, bigger and better than any event we've held in half a decade. Because of your team's demonstrated commitment to multiplying good in your community, we invite you to join us in Indianapolis where we will bring together the incredible spirit of folks like you who believe in the power of service to others. Over the course of this three-day event, we will focus on helping individuals discover their full potential through service, using the power of giving back to unleash the possibility that everyone can make a difference in the world around them.

Local SIA teams such as yours who received a Gold Jefferson Award banner and the *Most Outstanding* distinction as your region's highest scorer this year are about to join thousands of other youth who have been celebrated for outstanding service since the inception of the Students In Action program 15 years ago. As this year's *Most Outstanding SIA Team* from San Francisco Bay Area, you now have the chance to present your service work on a national stage and receive one of our highest national honors - a **Bronze, Silver, or Gold Jefferson Award for Students In Action Teams**.

In the coming weeks we will work closely with you to ensure your travel accommodations have been made and that your story is represented as part of our celebration! In the meantime, please contact **Casey Costello** (ccostello@multiplyinggood.org) if you have any questions or concerns. We look forward to celebrating with you this summer!
