

# Educational Technology and Data Governance

Performance Management  
Presentation to the Board  
15 April 2021

# Key Topics

- Provide an overview of how we are strengthening our systems through the lens of data governance
- Review progress made in support of student and parent/guardian access to information during Distance Learning
- Discuss next steps

### LCAP GOAL 1

#### Academic Achievement

The district will provide a high quality curricular program for students that will raise student proficiency on the California Common Core State Standards as measured by overall academic achievement on state assessments, CA Dashboard results, interim assessment data and ELPAC/Reclassification data.

### LCAP GOAL 2

#### Professional Development

Identified classified staff, certificated and administrative staff will participate in professional development to create capacity and expertise in curriculum program implementation based on the development of scope and sequence as measured by walkthrough observations and other evidence (artifacts and student work).

### LCAP GOAL 3

#### Student, Parent & Community Engagement

Improve parent school engagement through an increase in participation in site and district parent groups such as SSC, PTSA, DELAC, ELAC, AAPAC as well as in other parent meetings as measured by attendance sign in sheets.
