

SIT Notes - Monday, August, 13th, 2024

Attendance:

Call to Order	Elect chair, and secretary
Celebrations	Mrs. McBride is taking her last class for certification, Mrs. Douglas has a new behavior certification, Ms. Hannaford has passed all her tests.
Approval of Last Meeting Minutes	
Old business	Revisit celebrations for PBIS- we would like new school wide guidelines- revision for points, celebrations, funding, sunshine committee- we will rework the committee, we voted to change the guidelines- we will celebrate all babies and weddings, paying dues is required (not optional), dues are \$30 for certified, and \$20 for classified
Staff celebrations	Appreciation days consolidated- Everyone will be celebrated during teacher appreciation week and individuals and groups will be recognized on their days.
Grading	Consistently using new scale for K-2- there is a change that will relate to numerics that will be coming.
Custodians	Schedule, new custodian- classrooms would like the time to put chairs up to be consistent everyday
Attendance	Chronic attendance plan  Star elementary attendance plan.docx https://www.canva.com/design/DAGLxZlbrnQ/ql7Pgr3_luu7A5L4UclBzQ/edit?utm_content=DAGLxZlbrnQ&utm_campaign=designshare&utm_medium=link2&utm_source=sharebutton Attendance boards, attendance streak Attendance is part of the district focus, so we will promote perfect attendance through the plan and Mrs. Douglas will start a “show up” challenge with rewards each semester for students with less than 3 excused absences. Grade levels will also be able to fill the tubes outside the gang

	bathrooms for a reward when they reach a goal.
schedules	Any change request- first grade would like a new recess time, fourth grade could do a earlier lunch time as they liked having a break between instruction during summer school, Mrs. Douglas needs some extra time to pull kids and some flexibility outside of planning.
SIP	Data from 2023-2024 -teams divided to review data for the past school year to look at areas to include in our SIP. Choose new goals-ideas new reading curriculum, attendance, DOK (depth of knowledge) will get some training on that this year, PD We have to assess all key indicators per the state.
Field Trips fundraisers	New form for all fundraisers must be submitted to Mrs. Deaton and then the county office. All field trips submitted by the end of September to the county office. All trips entered in Travel trackers at least two weeks prior to trip, even if students are using a charter or walking. New state law that charter buses have to be inspected by transportation director before leaving campus. No field trips in May, Tweetsie is the one exception but it must be scheduled May 14-16
Changes with substitutes	They can only work 10 days a month, look at scheduling appointments after 3 if possible and please turn that in ahead of time, teachers will need to use Will Sub Plus to schedule absences so subs can get paid.
New student devices	Students will get new devices but it will be delayed. They will use the old ones until then.
clubs	Stem club, anyone want to be a yearbook sponsor? There was a suggestion that maybe we could

	do clubs for students every quarter or so. Teachers would be in charge of whatever club/activity they would enjoy sharing with students such as games, knitting, stem, yearbook, student council, reading club, legos, etc. Talk to grade levels and Ashley will get more information from other schools doing this already.
Open Discussion	NC Ed Corp tutors will be Jewel Hussey and Stephanie Stevens, and Future Forward will be in the same room, the county is purchasing IXL and Flocabulary, there will be no Reading Counts so we are searching for other programs that we can afford that would work as an incentive, Make sure you are using Flocabulary with fidelity and not just assigning work that students don't know how to do. Cafeteria- Chef Salads only on Tuesday and Thursday, Free Breakfast & Lunch with participation, no designated share table, State may make a visit in September, few new items on menu, will get barcodes out to teachers as soon as they are assigned
Adjournment	Amanda made a motion to adjourn and Laura seconded. We are excited for the upcoming school year!
