Policy 0460: Local Control And Accountability Plan

Status:ADOPTED

Original Adopted Date:0/01/2017

The Governing Board desires to ensure the most effective use of available funding to improve outcomes for all students. A comprehensive, data-driven planning process shall be used to identify annual goals and specific actions which are aligned with the district budget and facilitate continuous improvement of district practices.

The Board shall adopt a districtwide local control and accountability plan (LCAP), based on the template adopted by the State Board of Education (SBE), that addresses the state priorities in Education Code 52060 and any local priorities adopted by the Board. The LCAP shall be updated on or before July 1 of each year and, like the district budget, shall cover the next fiscal year and two subsequent fiscal years. (Education Code 52060, 52064; 5 CCR 15494-15497)

The LCAP shall focus on improving outcomes for all students, particularly those who are "unduplicated students" or are part of any numerically significant student subgroup that is at risk of or is underperforming.

Unduplicated students include students who are eligible for free or reduced-price meals, English learners, and foster youth, as defined in Education Code 42238.01 for purposes of the local control funding formula (LCFF). (Education Code 42238.02)

Numerically significant student subgroups include ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students, when there are at least 30 students in the subgroup or at least 15 foster youth or homeless students. (Education Code 52052)

Beginning July 1, 2025, if the district is identified by the California Department of Education (CDE) as needing an improvement plan pursuant to 34 CFR 300.600-300.647, the Board shall adopt, and update on an annual basis, an Individual with Disabilities Education Act (IDEA) Addendum, based on the template adopted by SBE. However, if the district adopts an improvement plan after being identified, but before July 1, 2025, the IDEA Addendum shall be developed upon expiration of the adopted improvement plan, but no later than July 1, 2028, whichever occurs first. The IDEA addendum shall be developed, reviewed, and approved in conjunction with and in the same manner as the LCAP and the annual update to the LCAP, and shall be submitted to CDE within 15 days of adoption by the Board. (Education Code 52064.3)

The Superintendent or designee shall review the school plan for student achievement (SPSA) submitted by each district school pursuant to Education Code 64001 to ensure that the specific actions included in the LCAP are consistent with strategies included in the SPSA. (Education Code 52062)

The LCAP shall also be aligned with other district and school plans, to the extent possible, in order to minimize duplication of effort and provide clear direction for program implementation.

As part of the LCAP adoption and annual update to the LCAP, the Board shall separately adopt an LCFF budget overview for parents/guardians, based on the template developed by SBE, which includes specified information relating to the district's budget. The budget overview shall be adopted, reviewed, and approved in the same manner as the LCAP and the annual update. (Education Code 52064.1)

Any complaint that the district has not complied with legal requirements pertaining to the LCAP may be filed pursuant to AR 1312.3 - Uniform Complaint Procedures. (Education Code 52075)

Plan Development

The Superintendent or designee shall gather data and information needed for effective and meaningful plan development and present it to the Board and community. Such data and information shall include, but not be limited to, data regarding the number of students in student subgroups, disaggregated data on student achievement levels, and information about current programs and expenditures.

The Board shall consult with teachers, principals, administrators, other school personnel, employee bargaining units, parents/guardians, and students in developing the LCAP. Consultation with students shall enable unduplicated students and other numerically significant student subgroups to review and comment on LCAP development and may include surveys of students, student forums, student advisory committees, and/or meetings with student government bodies or other groups representing students. (Education Code 52060; 5 CCR 15495)

Public Review and Input

The Board shall establish a parent advisory committee to provide advice on the LCAP. The committee shall be composed of a majority of parents/guardians and shall include parents/guardians of unduplicated students as defined above and parents/guardians of students with disabilities. (Education Code 52063; 5 CCR 15495)

Beginning July 1, 2024, unless a student advisory committee is established to provide advice to the Board and Superintendent, two students shall be included as full members of the parent advisory committee. The students shall serve for a renewable term of one full school year. (Education Code 52063)

Student members of the parent advisory committee or the student advisory committee shall represent the diversity of the district's students, including geographical, socioeconomic, cultural, physical, and educational diversity, and particular effort shall be made to reach out to at-risk or disadvantaged students to serve as members of such committees. (Education Code 52063)

Whenever district enrollment includes at least 15 percent English learners, with at least 50 students who are English learners, the Board shall establish an English learner parent advisory committee

composed of a majority of parents/guardians of English learners to review and comment on the LCAP. (Education Code 52063; 5 CCR 15495)

The Superintendent or designee shall present the LCAP to the committee(s) before it is submitted to the Board for adoption, and shall respond in writing to comments received from the committee(s).

The Superintendent or designee shall notify members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP. The notification shall be provided using the most efficient method of notification possible, which may not necessarily include producing printed notices or sending notices by mail. All written notifications related to the LCAP shall be provided in the primary language of parents/guardians when required by Education Code 48985. (Education Code 52062)

As part of the parent/guardian and community engagement process, the district shall solicit input on effective and appropriate instructional methods, including, but not limited to, establishing language acquisition programs to enable all students, including English learners and native English speakers, to have access to the core academic content standards and to become proficient in English. (Education Code 305-306)

The Superintendent or designee shall consult with the administrator(s) of the special education local plan area of which the district is a member to ensure that specific actions for students with disabilities are included in the LCAP and are consistent with strategies included in the annual assurances support plan for the education of students with disabilities. (Education Code 52062)

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. The public hearing shall be held at the same meeting as the budget hearing required pursuant to Education Code 42127 and AR 3100 - Budget. (Education Code 42127, 52062)

Adoption of the Plan

The Board shall adopt the LCAP prior to adopting the district budget, but at the same public meeting. This meeting shall be held after the public hearing described above, but not on the same day as the hearing. (Education Code 52062)

The Board may adopt revisions to the LCAP at any time during the period in which the plan is in effect, provided the Board follows the process to adopt the LCAP pursuant to Education Code 52062 and the revisions are adopted in a public meeting. (Education Code 52062)

Submission of Plan to County Superintendent of Schools

Not later than five days after adoption of the LCAP, the district budget, and the budget overview for parents/guardians, the Board shall file the LCAP, the budget, and the budget overview with the County Superintendent of Schools. (Education Code 42127, 52064.1, 52070)

If the County Superintendent sends, by August 15, a written request for clarification of the contents of the LCAP, the Board shall respond in writing within 15 days of the request. If the County Superintendent then submits recommendations for amendments to the LCAP within 15 days of receiving the Board's response, the Board shall consider those recommendations in a public meeting within 15 days of receiving the recommendations. (Education Code 52070)

If the County Superintendent does not approve the district's LCAP, the Board shall accept technical assistance from the County Superintendent focused on revising the plan so that it can be approved. (Education Code 52071)

Monitoring Progress

The Superintendent or designee shall report to the Board, at least annually in accordance with the timeline and indicators established by the Superintendent and the Board, regarding the district's progress toward attaining each goal identified in the LCAP. Evaluation shall include, but not be limited to, an assessment of district and school performance reported on the California School Dashboard. Evaluation data shall be used to recommend any necessary revisions to the LCAP.

The Superintendent or designee shall seek and/or accept technical assistance or other intervention that may be required pursuant to Education Code 52071 or 52072 when a school or a numerically significant student subgroup is not making sufficient progress toward the goals in the LCAP.

Policy 3460: Financial Reports And Accountability

Status: ADOPTED

Original Adopted Date: 11/01/2004

The Governing Board is committed to ensuring public accountability and the fiscal health of the district. The Board shall adopt sound fiscal management policies and practices, oversee the district's financial condition, and continually evaluate whether the district's budget and financial operations support the district's goals for student achievement.

The Superintendent or designee shall ensure that district financial reports are prepared in accordance with law and in conformity with generally accepted accounting principles and financial reporting standards stipulated by the Governmental Accounting Standards Board and the California Department of Education (CDE). The Superintendent or designee shall establish a system of ongoing internal controls to ensure the reliability of financial reporting.

When required by law or the Board, the Superintendent or designee shall submit to the Board reports of the district's financial status, including, but not limited to, any report specified in this Board policy or accompanying administrative regulation. When submission of any such report to a local, state, and/or federal agency requires prior Board approval, the Superintendent or designee shall provide the report to the Board in sufficient time to enable the Board to carefully review the report breaking any applicable submission deadline.

The Board shall regularly assess the district's financial position and communicate the results to the public, and shall use financial reports to determine the actions and budget amendments, if any, that are needed to ensure the district's financial stability. If district conditions predict fiscal distress or indicate that the district might not be able to meet its fiscal obligations, the Board and Superintendent or designee shall take action to resolve these conditions- without delay. The Board shall work cooperatively with the County Superintendent of Schools to improve the district's fiscal health and may contract with an external individual or organization to provide the district with needed advice or fiscal management or training.

Unaudited Actual Receipts and Expenditures

On or before September 15, the Board shall approve and file with the County Superintendent a statement of the district's unaudited actual receipts and expenditures for the preceding fiscal year. The Superintendent or designee shall prepare this statement using the state's standardized account code structure (SACS) as prescribed by the Superintendent of Public Instruction (SPI). (Education Code 42100)

Gann Appropriations Limit Resolution

On or before September 15, the Board shall, at a regular or special meeting, adopt a resolution identifying, pursuant to Government Code 7900-7914, the district's estimated appropriations limit for the current fiscal year and the actual appropriations limit for the preceding fiscal year. Documentation used to identify these limits shall be made available to the public on the day of the Board meeting. (Education Code 42132; Government Code 7910)

The first report shall cover the district's financial and budgetary status for the period ending October 31 and the second report shall cover the period ending January 31. These reports and supporting data shall be made available by the district for public review. (Education Code 42130)

Within 45 days after the close of the period reported, the Board shall approve the interim report and, on the basis of the interim report and any additional financial information known by the Board, shall certify in writing whether the district will be able to meet its fiscal obligations for the remainder of the fiscal year and, based on current forecasts, for the two subsequent fiscal years. The certification shall be classified as one of the following: (Education Code 42130, 42131)

1. "Positive certification" indicating that the district will meet its financial obligations for the current fiscal year and two subsequent fiscal years
2. "Qualified certification" indicating that the district may not meet its financial obligations for the current fiscal year or two subsequent fiscal years

If the district's certification is subsequently changed by the County Superintendent from a positive to a qualified or negative certification, or from a qualified to a negative certification, the Board may appeal the decision to the SPI within five days of receiving the notice of change. (Education Code 42131)

Whenever the district receives a qualified or negative certification from the Board or the County Superintendent, the Superintendent or designee shall cooperate in the implementation of any remedial actions taken or prescribed by the County Superintendent. (Education Code 42131)

statement as of April 30 ("third interim report") that projects the district's fund and cash balances through June 30. (Education Code 42131)

Within 15 days of receiving the report, the district shall notify the County Superintendent and the SPI of the Board's proposed actions on the recommendation. (Education Code 42637)
