Comments:

It's alarming how quickly the district is trying to push through these policies, even waiving a second reading. This is not giving the community enough time to review these new and updated policies and give thoughtful input. Sale/Lease 3280 hasn't been updated since 2015? Why the sudden hurry? Anything to do with making Sunshine Gardens Elementary a park? Employee Safety 4157 hasn't been updated since 2010? What's the hurry? So much vague and ambiguous language in all of the policies. "The Superintendent or designee shall promote safety and correct any unsafe work practices through education and enforcement," is just one example. What kind of unsafe work practice? What kind of education? What kind of enforcement? How will this be accomplished? Who could be/which position is the "designee"? Blanket approval of 9 policies while waiving a second read is unwise. Who is on the committee that wrote the policies? What makes them qualified? Keep in mind, no policy can break the law. No policy can violate an individual's rights. Respectfully,
