

Greetings from the Bernards High School (BHS) Home and School Association (HSA) and welcome to the 2025-2026 school year!

The BHS HSA aims to strengthen the connection between home and school to benefit students, families, and staff. We support communication, partner with school leadership, show appreciation for teachers, and enhance the student experience.

We need your support! Please join the HSA and contribute if you can. Your donation directly funds programs like student stress relief activities, college prep and scholarships, parent events, and teacher appreciation efforts..

We invite you to attend our bi-monthly meetings to hear from guest speakers, get updates from Dr. Neigel and BHS administrators, and stay informed about HSA initiatives. You can also join our [Facebook Page](#) and our [Instagram](#) for up to the minute info.

Please start the year by becoming a member of the BHS HSA. You can update and confirm your contact information or create a new account at BSHSA.membershiptoolkit.com.

Thank you in advance for helping us make the 2025-2026 school year a success! Please contact us with any questions or concerns at bernardshhsa@gmail.com.

Sincerely yours,
