

Andrew Jackson Elementary School

2025-2026 Parent and Family Engagement Policy for Shared Student Success

Plan Revised July 31, 2025

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Andrew Jackson Elementary will provide opportunities to improve family engagement to support student learning. Andrew Jackson Elementary values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Andrew Jackson will support family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Andrew Jackson Elementary School invited all families to attend our annual School open house to review and revise this parent and family engagement policy, the school improvement plan, our school-parent compact, and the family engagement budget. Additionally, family input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for families to view and submit feedback throughout the year. All feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask families for their suggestions on the plan and the use of funds for family engagement. Families can also give feedback during several meetings and activities during the school year.

Who is it for?

All students participating in the Title I program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Andrew Jackson will provide full opportunities for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook and sent home with all students. As a reminder, we will email the plan to all families in August. The plan will also be posted on the school website and social media. Families can also retrieve a copy of the plan in the front office of the school.

What is Title I?

Andrew Jackson Elementary School is identified as a Title I school and part of the Every Student Succeeds Act (ESSA). Title I is designed to support state and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

2025-2026 District Goals

Career Readiness

- Academic Achievement and Growth
- Teacher Recruitment and Retention
- College and Career Readiness
- Improve our Systems of Support

2025-2026 Andrew Jackson Elementary

School Goals

- Increase Reading and Math levels for every student.
- Ensure that all students have at least one year's growth
- Provide a rigorous curriculum that will allow our students to become critical thinkers.
- Provide each child with a quality education that will help to develop his/her talents so that each student reaches their full potential.

Parent and Family Engagement

Family Engagement means the participation of parents and family member in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- Families play an integral role in assisting their child's learning
- Families are encouraged to be actively involved in their child's education at school; and
- Families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities, such as those described in Section 1116 of the ESSA.

School-Parent Compacts

As part of this plan, Andrew Elementary and our families will develop a school-parent compact. A compact is a written agreement that families, teachers, and students jointly develop to explain how everyone will work together to ensure all students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from families, students, and teachers during various events and the annual School Forum. The school-parent compacts are also displayed in each classroom, shared with families during parent-teacher conferences, posted on our school website (www.jmcss.org). Extra copies are always available in the front office. If you would like to provide feedback on the compact any time during the year, please contact Ryan Kirkbride @ (731)506-2205 or @ rmkirkbride@jmcss.org.

Andrew Jackson Elementary is branching out!

Andrew Jackson will take the following measures to empower and support families as an important foundation of our school in order to strengthen the school and reach our goals.

We will:

Make an effort to publish all school information about programs, meetings, and other school related activities in English and Spanish.

- ❖ Provide monthly trainings for staff during their planning periods on strategies to improve communication with families and ideas to increase family engagement in reading and math for our students outside of the classroom. Staff will also share promising practices in family engagement during regularly scheduled faculty meetings.
- ❖ Partner with early childhood programs, middle and high schools, college- and career-ready resources or organizations, parent resource centers, or other programs (as applicable) to help prepare parents and their children for successful school transitioning.
- ❖ Share information in English and Spanish on the school blog and in the school newsletter for families to understand the school's academic standards and assessments as well as the ways families can monitor their child's progress and work with educators.
- ❖ Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through phone messages, school website, social media our parents and family members attend the media, and flyers.
- ❖ Work with our families to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.
- ❖ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.
- ❖ Use our Partners in Education and School Community Team to improve awareness of the activities and events listed in the school parent and family engagement policy.
- ❖ Collect feedback from parents and family members at all events, place input cards around the building and post a suggestion form on the school website in order to respond to parents' requests for additional support for parent and family engagement activities.

Parent Brochures

Parent Brochures are located in the front office.

These brochures are related to various topics and are created to encourage parental involvement in the education of your child.

Andrew Jackson is committed to helping parents and families. Please contact Ms. Moira Chandler, Professional School Counselor, at 731-506-2920 for more information regarding family resources and assistance.
