Dear Parent or Guardian,

Regional School District 14 and All Star Transportation will be using a **new** parent app, *Stopfinder*, beginning this upcoming school year. *Stopfinder* is an easy-to-use, all-in-one app that allows you to have the most accurate information about your student's bus schedule at anytime from anywhere. You can also create **GeoAlerts** for your student, which will notify you when the bus has arrived or departed from any location on your student's route, including their assigned bus stop and school. **GeoAlert** Alert Zones can be created for individual students allowing you to customize the Alert Zone based on their bus route.

The email address that is currently on file with the district will be used for *Stopfinder* setup.

Stopfinder can be downloaded for free from the App Store or Google Play. *Stopfinder* will require an invite and registration through the district prior to accessing your student's transportation schedule. Parents can expect to start receiving invitations during the week of **August 18, 2025**.

Please contact Tina Tanguay, Director of Finance and Operations at ttanguay@ctreg14.org or Cathy Goodfield at catherine.goodfield@all-startransportation.com with any questions.

Thank you,

Tina Tanguay
