Mission

Saint Thomas Aquinas High School is a Catholic educational community that fosters excellence and empowers students to pursue life as a Saint.

Vision

Saint Thomas Aquinas High School will educate students to live the Catholic Faith by discovering, developing, and applying their God-given gifts.

St. Thomas Aquinas (1224-1274)

St. Thomas Aquinas has been called the most saintly of the learned and the most learned of the saints. One of thirty-three Doctors of the Church, he is considered by many to be the Roman Catholic Church's greatest theologian. Consequently, many Catholic educational institutions around the world are named for him. The Church canonized him on July 18, 1323 during the papacy of Pope John XXII. The youngest son born to an aristocratic family in the Naples region of Italy, St. Thomas Aquinas joined the Order of St. Dominic over the protests of his family while studying philosophy and theology in Naples. He later pursued additional studies in Cologne and Paris, which shaped his Aristotelian thought processes so evident throughout his writings. His best-known work, the unfinished *Summa Theologica*, represents the most complete statement of his philosophical system. It includes his views on the nature of God, including the five ways to prove God's existence. It is still considered as a basis for much of contemporary Roman Catholic Doctrine. St. Thomas Aquinas was known for his compassion and kindness, his availability to the

sick and to those most in need. Generally, St. Thomas Aquinas is represented in paintings and other art wearing his Dominican robe and carrying a book, symbolizing his love for learning. His crest is an ox, for which he is nicknamed, the sun, which appears on his chest, and the chalice, which represents his writings on the Eucharist.

School Handbook Purpose

All Saint Thomas Aquinas students are expected to observe the regulations of the school as well as to use common sense and concern for others. Certain rules are necessary for any community to function well. Rules are minimum guidelines, and it is presumed that students will exhibit an even greater concern for themselves and others than these might suggest. The rules and discipline system of Saint Thomas Aquinas have been developed to promote self-discipline and Catholic values, encourage positive behavior, provide an orderly and appropriate learning environment for all students, and give the student an understanding of personal responsibility and consequences for one's behavior.

Non-Discrimination

Saint Thomas Aquinas High School welcomes students of every race, religion, sex, age, national origin, and/or disability and admits them to all rights, privileges, programs and activities generally made available to students.

Harassment

Harassment of any student and/or employee (sexual or otherwise) by any other student and/or employee will not be tolerated. Saint Thomas Aquinas High School condemns any such harassment. Harassment is defined as a pattern of comments and/or conduct which is intimidating, hostile, or offensive to any person because of race, religion, sex, age, national origin, and/or disability. Students who believe themselves to be victims of harassment are encouraged to report the facts to a teacher, counselor, or principal in order that the school might investigate and take corrective action where appropriate.

Right To Amend

For all provisions of the School Handbook, the administration of Saint Thomas Aquinas High School reserves the right to amend any and all provisions as well as the right to make exceptions at any time if it is deemed in the best interests of the students, staff and Catholic environment of Saint Thomas Aquinas High School. Should any modifications be made, the students and parents will be notified as soon as reasonably possible.

Operational Status Modifications

The operation of our school is subject to lawful orders of the Federal, State and local governments and agencies, and changes to the operational status of the school could occur. These changes could include modified schedules, limitation on building occupancy levels and complete closure.

Depending on the conditions and timing of any necessary modifications, in-person classroom time may be reduced or eliminated completely, and replaced or augmented with a variety of options for virtual learning.

Community Service Program

- Requirements
 - All students at Saint Thomas Aquinas are required to participate in the Community Service Program. Students must volunteer the required number of hours for their academic year. Service requirement for each class (WM = Works of Mercy).
 - Freshmen: 16 hours total for the academic year; 8 hours must be WM hours.
 - Sophomores: 16 hours total for the academic year; 8 hours must be WM hours.
 - Juniors: 24 hours total for the academic year; 12 hours must be WM hours.
 - Seniors: 24 hours total for the academic year; 12 hours must be WM hours.
 - Note: Transfer students' hours will be adjusted based on the yearly requirements for each class as they enter Saint Thomas Aquinas.

- What are “Works of Mercy” Hours
 - The *Works of Mercy* (Corporal and Spiritual) are taught by our Lord Jesus Christ. The spiritual and corporal works of mercy are charitable actions by which we come to the aid of our neighbor in his spiritual and bodily needs.
 - Instructing, advising, consoling, and comforting are *Spiritual Works of Mercy*, as are forgiving and bearing wrongs patiently. The *Corporal Works of Mercy* consist especially in feeding the hungry, sheltering the homeless, clothing the naked, visiting the sick and imprisoned, and burying the dead. These works are right and just; they are pleasing to God. Most community service organizations serve the Corporal needs of the community. Spiritual Works can be completed at your home parish or Church.
 - Corporal Works of Mercy
 - To feed the hungry
 - To give drink to the thirsty
 - To clothe the naked
 - To shelter the homeless
 - To visit the sick
 - To visit the imprisoned
 - To bury the dead
 - Spiritual Works of Mercy
 - Counsel the doubtful
 - Instruct the ignorant
 - Admonish sinners
 - Comfort the afflicted
 - Forgive offenses
 - Bear wrongs patiently
 - Pray for the living and the dead
- What are “Other” Hours:
 - Students can complete all of their hours as Works of Mercy, but are allowed “Other” hours. These hours would be other volunteer organizations that do not fall into the above categories (ie, volunteering at youth camps, volunteering with Extravaganza, etc.)
- Due Dates:
 - Students will receive a grade for completion of their service hours each semester in their Theology class. The service hour completion will make up 10% of the

student's semester grade. Hours must be submitted to x2VOL by the deadline to earn their points.

- First semester deadline is December 1
- Second semester deadline is May 1
- Students who do not enter their hours by the deadline will earn a zero for the grade

Class	Semester 1 Due Date	Number of Hours Due	Semester 2 Due Date	Number of Hours Due	Year Total
Freshman	December 1	8	May 1	8	16 (8 WM)
Sophomore	December 1	8	May 1	8	16 (8 WM)
Junior	December 1	12	May 1	12	24 (12 WM)
Senior	December 1	12	May 1	12	24 (12 WM)

- Other Basic Requirements

- Students may serve with several different agencies to complete the required hours
- The service may not be given to a relative; this is considered a family responsibility
- A parent may not be the supervisor of service. The supervisor should be at the organization
- Students are expected to serve outside of school hours, after the dismissal of the school day
- Exceptions to the “outside of school” service policy are the Washington DC March for Life, Junior Serve Day, and the Topeka March for Life
- The student may not receive payment for services. It must be done on a volunteer basis
- Information and service opportunities are available on the STA website and the x2VOL Dashboard
- Service hours will not be given for managing an athletic team

- Presidential Service Award

- All students completing 50 hours of service during their Freshman year will qualify for the *Presidential Service Award*. Sophomores, Juniors, and Seniors need to complete 100 hours of service to qualify for the *Presidential Service Award*.
- The Campus Ministry Office will automatically submit those students' names who qualify for the award. Nothing additional needs to be entered by students

Retreat Program

- Each class has a retreat opportunity during the course of the year. In addition, all students are encouraged to participate in various spiritual formation opportunities such as
 - National March for Life (Washington DC)
 - Topeka Rally for Life
 - Saints Walk for Life
- Student retreats are a wonderful opportunity for students to learn more about our faith, practice prayer, and grow in the community. Our retreat program is designed with our students' spiritual, social, and emotional development in mind. All retreats are required and held during the school day, except for the Kairos retreat which is optional
- Freshman Retreat – Belong
 - The Freshman Retreat is an event held during the 2nd semester, organized by our Campus Ministry team and senior leaders. This retreat focuses on building community and belonging. Throughout the day, students will engage in both small and large group discussions, and participate in various forms of prayer including praise and worship, contemplation, and Eucharistic adoration. This experience serves as a foundational step leading to the Sophomore Retreat, which emphasizes daily choices that contribute to our “communion of saints”
- Sophomore Retreat – Identity
 - The Sophomore Retreat spans four days during the 1st semester. To facilitate deeper connections, the class is divided into smaller groups. During this retreat, students are placed in leadership roles that require them to rely on each other's strengths and support one another's weaknesses. This experience is designed to help students understand and develop their own identities within the community.
- Junior Retreat – Mission
 - The Junior Retreat features a “serve day” where students are divided into groups to serve at various locations across the Kansas City metropolitan area. This retreat encourages juniors to look beyond themselves and to find ways to serve those in need within the community. The goal is for this service to become a lasting part of their spiritual lives
- Senior Retreat – Kairos
 - Kairos is an intensive retreat experience for seniors, focusing on deepening their relationships with God, themselves, and others. It challenges students to consider how they can translate their faith into meaningful actions in the world. Adapted from the “Spiritual Exercises” of St. Ignatius of Loyola, Kairos helps students

connect their everyday experiences with their faith. Multiple retreats are offered throughout the year, including one or two during the Summer and several during the school year, totaling six retreats. Participation is based on a first-come, first-served application process.

Attendance Policy

- As followers of Christ, STA recognizes that God calls us each day to use our talents that HE has given us. Regular attendance is not only an important responsibility of every student, but an expectation as followers of Christ. Poor attendance is one of the greatest factors in school failure. It is the student's responsibility to communicate with his/her teachers regarding missing school work and instruction.

Reporting an Absence

- Parents or guardians are to telephone the attendance line (913) - 319 - 2415 before 8:30 AM to report the absence of their student. When calling please leave the following information:
 - The student's name
 - Your name
 - Your relationship to the student
 - A number which you can be reached at
 - The reason why the student will be absent from school
- Absences without parental explanation will be considered unexcused.
- Parents/legal guardians are expected to call the building's attendance line to report daily absences, late arrivals, or early dismissals. If a call is not received, school personnel will attempt to contact the parent. If no contact is made within 48 hours, the absence will be counted as unexcused.

Excused vs Unexcused Absences

- Examples of Excused Absences include:
 - Personal illness (doctor/dental/medical appointments)
 - The school may, with notice to the parent, require verification from a physician of absences due to reasons of health.
 - Serious illness of a family member
 - Funerals
 - Emergency situations requiring immediate action
 - Participation in a school-sponsored activity
 - An absence that has been communicated in advance to the Attendance Office
- An unexcused absence occurs when a student is absent from class or school without an excusable reason and without advance parental knowledge.

College Visit Days

- Students are allowed to miss school for a college visit for up to 6 days (no more than 3 days in any one school year) in their 4 years at Saint Thomas Aquinas. More than 6 in 4 years will be counted as being out of town and thus will count against their exam waiver.
- All college visits must be verified by submitting your College Visit Agenda, with your name on it or by submitting an official college visit form with an official university signature stating that you were there and took an official tour. Verification should be turned into the attendance office upon returning to school. Saint Thomas Aquinas High School defines a "college visit" as a day missing school whereas a student is visiting a college where he/she is interested in attending and has formally set up, in advance, a visit with the admissions office, a coach, departmental dean, or university official.

Arriving/Leaving Campus

- When arriving to campus after the tardy bell has rung:
 - Check in at the Main Office
 - Failure to sign in may result in disciplinary action
 - Block Day (EVEN/ODD)
 - Arriving late and missing less than 20 minutes of the period will result in a warning
 - Each student will receive 3 warnings a semester
 - A detention will be issued after the 3rd warning
 - Arriving late and missing between 20 – 45 minutes of the period will result in a detention
 - Arriving late and missing more than 45 minutes of the period will result in 2 detentions
 - A Day/Noon Dismissal
 - Arriving late and missing less than 20 minutes of the period will result in a warning
 - Each student will receive 3 warnings a semester
 - A detention will be issued after the 3rd warning
 - Arriving late and missing more than 20 minutes of the period will result in a detention
 - Every class period missed will result in 1 detention

- Leaving campus
 - To leave campus during the school day, the student's parent/guardian must call the Attendance Office and the student must check-out through the Main Office before leaving.
 - Leaving campus without signing out will result in disciplinary consequences.
 - Students are never allowed to be outside the building without permission anytime during the school day.

Denial of Course Credit

- A student can be denied class credit after missing an excessive amount of critical content. The protocol is as follows:

ABSENCES (in one class)	ACTION
4	A notification letter will be delivered to the student by the attendance department to inform the student regarding the class credit protocol.
6	The student will have an informational meeting with an administrator to make sure the student understands the next steps in the possible denial of class credit due to attendance. Parents will also be notified.
8	A meeting with the parents, student, and an administrator will be held to inform and develop a plan to help the student become more successful regarding regular class attendance.
10	The student will lose credit for the course.

- The school reserves the right to withhold credit pending an evaluation by the Internal Review Board (IRB). Extenuating circumstances will be handled on a case-by-case basis.
- If the student or parent feels that justifiable or extraordinary circumstances have contributed to reaching the ten-day limit, the student and parent may appeal to the IRB. An appeal form must be completed and filed with the Attendance office by the end of the semester in which the absences occurred. The review by the IRB shall be held within a reasonable time after the appeal request is made. If no appeal request form is received by the end of the semester, then course credit is denied.

Extracurricular Activities

- Students must be in attendance for at least half the school day in order to participate in their extracurricular activities after school that day.

Pax Christi Award

- The highest honor awarded to a senior at Saint Thomas Aquinas High School is the Pax Christi Award.
- This award recognizes those students who have, over their four years in high school, exemplified the finest characteristics of young Christian men and women.
- Students are nominated by the Senior Class and faculty.
- The student speakers for graduation will be selected by audition from among those seniors who receive the Pax Christi Award.

Waiver Policy

- Any student with a semester grade of 96% or above, before the final exam, may be exempt from taking that final exam.
 - This 96% does not include the additional five honors points
- Any student achieving a Semester Grade of 86% or above is eligible to earn one exam waiver for one class each semester.
- A student will not earn their waiver for the semester if:
 - They accrue more than 16 absences across all class periods
 - OR
 - They accrue 6 or more absences in one specific class
 - OR
 - They miss more than 2 all school liturgical events (mass, adoration, reconciliation) a semester
 - OR
 - They are suspended from school
 - OR
 - They receive more than 3 detentions
 - 1 Saturday Detention = 3 Detentions
- Illness, medical appointments, vacations, personal absences and suspensions DO count against the waiver. School sponsored activities, college visits and funerals are the only exceptions and will not count against the waiver.

- All waivers will be held until fines are paid, equipment is returned, and all financial obligations are resolved
- In some disciplines, mastery of knowledge may be more appropriately measured through a cumulative project or portfolio. Therefore a waiver and/or exemption may not apply in these courses.

Academic Probation

- Any student failing two or more academic courses for a semester will be placed on academic probation.
- Students who fail 2 or more classes while on academic probation will not be allowed to return to Saint Thomas Aquinas High School.
- In addition to the above, in order to remain at Saint Thomas Aquinas, a student must be making reasonable progress toward graduation. Reasonable progress will be viewed as credits in the required graduation curriculum as follows:
 - At the beginning of:
 - 10th grade – a student must have a minimum of 6 academic credits.
 - 11th grade – a student must have a minimum of 13 academic credits.
 - 12th grade – a student must have a minimum of 20 academic credits.
 - Note: academic credits do not include Catholic Outreach service hours credit.
- Students who end the prior grade with fewer than the above “specified credits” need to complete credit recovery through Edgenuity. It is highly recommended that students complete this over summer break. One credit is the customary maximum credit available during the summer.
- Students may only obtain 2 credits maximum through the credit recovery program throughout their 4 years at Saint Thomas Aquinas High School.
- Saint Thomas Aquinas reserves the right to require that specific courses be taken from our faculty.

Credit Recovery Contracts

- Contracts will be awarded to students who have earned a 56% - 66% the first semester of a math or foreign language class.
- If a student successfully completes the second semester of the course with the requested grade and follows all the requirements of the contract, retroactive credit will be given by changing the first semester grade to a 67%.

- The academic counselor will meet with each student in January to discuss the process. This contract offer is based on the premise that in order for a student to succeed in the second semester, he/she must acquire a working knowledge of the material learned from the first semester.

Graduation Ceremony Criteria

- A senior student may participate in the Baccalaureate and the Commencement ceremony if he/she has completed the required number of credits and is in good standing with the school.
- A student who lacks one-half credit at the end of the eighth semester will be allowed to participate in the graduation ceremonies; however, no diploma will be issued until he/she has received the one-half credit.
- Diplomas and senior grades will be mailed once the Academic Counseling Office has completed the necessary records and all financial obligations have been fulfilled.

Schedule Changes

- Schedule changes may be made only for sound academic reasons and must be completed during the published time frame. All other changes must be approved by the school administration.
- A fee of \$20 will be charged for each schedule change.
- No drops are permitted during the semester.
- You may pick up schedule change request forms from the Academic Counseling Office or online.

Withdrawal

- Students withdrawing from Saint Thomas Aquinas should request a withdrawal form from the Principal's Office. This is to be signed by a parent and returned to the Principal's Office.
- All textbooks, library books, and athletic uniforms must be returned, tuition/other fees paid, and other obligations fulfilled before transcripts or recommendations to other schools will be released.

Dual Enrollment

- Seniors may be permitted to participate in a dual college enrollment program if the following criteria are met:
 - The student must be recommended by his/her academic counselor.
 - The student must be in the process of completing all course work as required by Saint Thomas Aquinas.
 - A college credit class does not replace required course work at Saint Thomas Aquinas.
 - Participation in dual enrollment does not afford a reduction in fees to Saint Thomas Aquinas.
 - All costs and fees to Saint Thomas Aquinas must be paid in full prior to application for dual enrollment.
 - Final approval for dual enrollment will come from the Principal or designee.

Student Aides

- A senior may apply to serve as a student aide during one or both semesters.
- The student's performance will be graded and one-fourth credit will be granted per semester as in other classes.
 - The grade issued will be Pass/Fail and will not be included in the computation of the student's cumulative grade average.
- Seniors submit applications for student aide.
- The school administration will assign aides to teachers or other staff members
- Applicants must be trustworthy, responsible, dependable, and capable of assuming a variety of tasks to which they might be assigned.

 - High school students dually enrolled in colleges, who have their college hours recorded on their high school transcript, may count five hours of college credit as two subjects of unit weight or three hours of college credit as one subject of unit weight.

- Students must notify the academic counselor immediately if a college course is dropped. Failure to do so will jeopardize their participation and the team's eligibility in interscholastic competition.
- Physical:
 - The student must complete a physical and submit all required information to Privit prior to the first day of practice in order to participate.
 - Information on the athletic clearance process can be found online through the school website.

Academic Eligibility

- Academic eligibility is enforced for all students participating in a KSHSAA sport, a KSHSAA activity, a school – affiliated club sport, show choir, or theater.
- If a student has one or more failing grades (< 67%) they will be placed in study hall until the grade is raised.
 - Students may have a failing grade for 3 weeks and still retain their eligibility to compete provided they are attending study hall daily.
 - Study hall is provided in the mornings from 7:15 AM – 7:45 AM and in the afternoon from 3:10 PM – 3:40 PM.
 - Students only need to attend either the morning or the afternoon session each day.
 - Once a student has been in study hall for 4 consecutive weeks or more they will become immediately ineligible for competition.

- Academic eligibility does not impact a student's ability to practice with the team.
- Once a student raises their grade to passing ($\geq 67\%$) they will no longer be required to attend study hall and they will immediately be eligible to compete.
- Study Hall Notification Procedure:
 - A grade report will be run every Friday throughout the semester.
 - All students with a failing grade will be notified Friday morning that they have been placed in study hall for the following week.
 - This notice will also inform them of their eligibility status for the following week.
 - It is the responsibility of the student to communicate with their teacher(s) about how they can raise their grade.
 - Parents/Guardians & Coaches will be notified Friday afternoon if their athlete has been placed in study hall for the following week.
 - It is the responsibility of the student to contact the Director of Student Life once their grade is no longer failing.
 - Any student/parent/guardian/coach/teacher who has questions about the study hall/eligibility process should contact the Director of Student Life.
- Every student's academic eligibility will be evaluated by the Director of Student Life on a weekly basis.
 - The goal is not to hold students out of competition. The goal is to maintain the high standard of academic excellence at Saint Thomas Aquinas High School.

 - In order to qualify for academic accommodations the student should be evaluated by an MD or DO and that health care professional should indicate which specific academic accommodations are needed.
 - Athletes:
 - All athletes who are held out of play due to concussion like symptoms must be evaluated by an MD or DO before returning to competition.

- If the health care professional determines that the athlete did in fact suffer a concussion then that athlete must complete a return to play protocol (RTP) before returning to competition.
 - Most RTP protocols last 5 days.
 - All RTPs will be supervised by our athletic trainer.
- The RTP protocol will only begin once the student is functioning fully in the classroom without any academic accommodations.
- If the health care professional determines that the athlete did not suffer a concussion then the athlete may return immediately to competition without restriction.

General Guidelines

- We believe that as followers of Jesus in the Catholic Faith that all stakeholders of Saint Thomas Aquinas should exhibit and act in the ways of Jesus Christ. This means we are kind and accept others and we use our talents and abilities that God has given us to demonstrate that love conquers all.
- Students are expected to conduct themselves in an orderly manner at all times when in school or at any school-sponsored activity.
- Students are expected to show respect for teachers, staff members, other students, visitors, and school property.
- Students should refrain from any illegal and immoral activity on or off school property at all times.
- We believe that teachers, students and parents work best in a climate of mutual respect and cooperation. It follows then that the education of young people is a partnership between the parents and the school.
 - Just as parents have the right to withdraw their child if desired, the school reserves the right to require withdrawal of a student if it is determined that this partnership is irretrievably broken.

This policy extends to all KSHSAA sports, all school – affiliated club sports, all KSHSAA activities, show choir, and theater.

Random Drug Screening:

- While it is our hope that students will be making healthy choices concerning drugs we understand some may not. Random Drug Screening is a preventative measure we are enacting to hopefully encourage students to never start experimenting with drugs. According to the American Addiction Centers, the earlier students begin to use, the more likely they are to have damaging effects and use more harmful substances later in life. Below is an outline of the process used in our random drug screening.

Process:

- Each month, students will be randomly selected. A small hair sample will be collected from each student for testing. Results will be shared with parents/guardians and the student approximately 2 weeks afterwards. All results will be kept confidential.
 - Students will be screened for illegal substances through a recognized drug-testing laboratory that is validated by the FBI.

- All transfer students are subject to a drug screening prior to admission.
- Any student who has violated the On Campus Drug/Alcohol policy is subject to a drug screening
- Hair samples are used for screenings.
- Approximately 400–450 students will be tested yearly.
- Students will be randomly selected through the screening company’s secure web portal.
- There will be approximately four screening days per semester with 50 students tested on each of these days.
- Certified staff members will conduct these tests.
- Our school administration will email parents/guardians to let them know their student was screened that day.
- If a student is randomly selected to be screened and refuses to do so, it will be assumed that the student has used an illegal substance and the appropriate sanctions will follow.
- Any student who has been randomly screened will be placed back into the pool of students after 60 days.
- A student who tests positive will be re-tested in 3 months at the cost of the parent/guardian.

Education and Partnership:

- In light of the impact of addiction and intoxication on the brain development of teenagers, it is our goal to partner with parents in getting their student help if necessary, and back on a path of better decision making and healthier choices for his/her life.
 - Test results of students will be kept confidential.
 - Off Campus violation of the drug/alcohol policies will be implemented.
 - 1st Time Offense:
 - Up to 3 Day Suspension from school and all school activities
 - If a student is involved in a sport/activity and is in season they will be suspended from competing for up to 3 weeks or a minimum of 15% of contests.
 - During the first day of the school suspension, parents/guardians and the student will need to come in for a meeting regarding the results and a discussion of which restorative practices should be implemented.
 - Education
 - Completion of an online course

- Mental Health
 - Meeting with a counselor to discuss resources for support
- Faith
 - Meeting with the school chaplain to discuss our Cardinal Virtues and forgiveness

Confidentiality:

- Under the new policy, the incident will be noted in the student's guidance file. This file is destroyed upon graduation and its contents are not sent to colleges or universities.

Student Crime

- A student who is arrested, charged or investigated in a crime will be immediately ineligible to participate in all school activities.
 - The student may not attend practices or take part in any school sponsored events during the investigation, when charged, or serving a court ordered sentence.
- If the school deems this to be a Major Infraction of the school's code of conduct, the student may be suspended indefinitely or dismissed from Saint Thomas Aquinas.
- Once the case is resolved the school will determine if the student returns to any activity they have been suspended from participating in.
- The administration reserves the right to apply additional consequences after the case is resolved.

Bullying

- Harassment, intimidation and/or bullying is defined as any intentional written, verbal or physical act when the act(s) causes physical harm or damages an individual's property; has the effect of substantially interfering with the right to an education; is so severe, persistent or pervasive that it creates an intimidating or threatening educational environment; or has the effect of substantially disrupting the orderly operation of the school.
- Harassment, intimidation and/or bullying can take many forms including, but not limited to: slurs, rumors, jokes, innuendo, pranks, gestures, physical attacks, threats, social media posts, text messages, or other indirect forms of communication.
- Intentional acts refer to the individual's choice to engage in the actions rather than the impact of the action(s). These actions are such that a reasonable person, under the circumstances knows or should know the actions will have the effect of: physically or mentally harming an individual; damaging an individual's property; placing an individual

in reasonable fear of harm; and placing an individual in reasonable fear of damage to their property.

- In all cases outlined above, the Saint Thomas Aquinas Code of Conduct will apply.
- False reports or retaliation for reporting harassment, intimidation and/or bullying also constitutes violations of this policy.

Hazing

- No acts of hazing will be tolerated at any time including within all extra and co-curricular programs.
