WELCOME BACK, BUCKEYE PANTHERS!

Dear Parents and Students,

Welcome to a brand new school year at Hayden R Lawrence! We are so excited to welcome our students back and look forward to a year full of growth, learning, and Panther pride.

This handbook has been created as a helpful resource for both students and families. Inside, you'll find important information about our school policies, expectations, and the values that guide us each day.

We believe that when families and schools work together, students thrive—and this handbook is one way we hope to support that partnership.

Please take some time to review the contents together as a family. If you have any questions throughout the year, we are always here to help.

We're looking forward to a fantastic school year. Let's make it great—together!

Warm regards,

MRS. PAUL

Our Houses

House of Unity

House of Kindness

House of Courage

House of Success

We all Belong

Our school uses the House system to promote **teamwork**, **positive behavior**, and **school pride**. Every student and staff member is part of a House. Students earn points by showing respect, staying on task, helping others, and following school rules. Houses can earn rewards and take part in fun competitions throughout the year as they work together to reach goals. Our houses are our families within our school community.

PBIS Incentives

LiveSchool

Throughout the school day, students have the opportunity to earn green points by meeting classroom expectations, showing strong character, and reaching academic goals. Once a week, students can use their green points to purchase fun rewards as a way to celebrate their positive efforts.

At the end of each month—and again at the end of each 9 weeks—students and houses with the highest point totals earn additional incentives and recognition for their hard work and teamwork.

Reward Passes

Lunch with a teacher	Free Canteen	Pep Rally Participant
Lunch with the Principal	Free Popcorn	Principal for the Day
Out of Uniform	Hat Pass	Shadow the Principal
Out of Uniform for the Year	Lunch with a Friend	Show and Tell
Out of Uniform Fridays	Lunch with a Parent	Stuffed Animal

Monthly

At the end of each month, **the house with the most points** will receive a **week of out of uniform**.

Homeroom Leaders - Each Homeroom will recognize one student with the most positive points to **receive additional points and passes**.

Each Grade will recognize one student that exhibits exceptional character as **HRL's Student of the Month**.

Quarterly

At the end of each 9 weeks, students celebrate and are recognized for their hard work.

Quarterly Pep Rallies encourage students to meet academic goals, exhibit positive behavior, and lead their House to victory with the most positive points earned.

Special Games for:

- A & A/B Honor Roll
- House Winners for 9 Weeks
- Top 30 Behavior in Each Grade
- Growth Targets Met
- Pay to Play LiveSchool Reward Passes

We are excited to share that this year we will be using **LiveSchool**, an app that will help us share behavior and personal goal feedback with you and your child. You will be able to access all of this information right from your computer or phone by downloading the free LiveSchool app.

By setting up a **free** LiveSchool account, you will also be able to receive weekly emails (Recaps) with data on:

- The number of points your child received
- Any comments they received from their teachers
- Your child's current LiveSchool point balance
- Any rewards your child redeemed from the school store

Recap emails provide more details and insight into your child's behaviors during the school day. Our school's focus is on promoting positive behaviors, but you may also see some behaviors recorded for your child that required redirection from their teacher. Please know that recording this behavior is normal and the data is helpful as we work to provide the best educational experience for your child and all students at Hayden R. Lawrence.

We also want to make learning fun for students this year! As part of our use of LiveSchool, your child will be able to spend his or her points on various classroom and school-wide rewards. We are going to be focusing on positive reinforcement and encouragement in regards to behavior and goal setting, and we hope that your child earns many exciting rewards!

We will be working hard to make this the best school year yet for your child! Thank you for your continued support of our school's behavior system and positive school culture!

STEP 1: Get an Access Code from Your School

If you haven't received your Access Codes yet, check with your child to see if they've received their access sheet before checking with your school.

STEP 2: Create a LiveSchool account!

Go to parent.LiveSchoolApp.com, enter your code, email, and password, and create your account!

STEP 3: Review your weekly Recap email

Once you create an account, you will begin to receive weekly Recap emails every Friday. Recaps are weekly summaries of your student's Points data. Use this data to help guide your student in meeting behavior and academic goals!

MULTI-TIERED SYSTEM OF SUPPORTS & BEHAVIOR INTERVENTIONS

- The mission of our PBIS/MTSS program is to proactively teach, model, and reinforce positive behavior, replacing outdated, punitive approaches with systems that support all learners. PBIS/MTSS provides a positive, data-driven, and legally supported framework to promote behavioral and academic success for all students.
- Core Goals
 - Replace punitive discipline with instructional strategies for behavior.
 - Increase instructional time through reduced disruptions.
 - Improve school climate to reduce teacher burnout and turnover.
 - Reduce disproportionality in discipline practices.
- Tiered Levels of Support for all Students
 - 1. Universal Support
 - Schoolwide behavior expectations are taught and reinforced utilizing consistent routines and clear expectations.
 - 2. Targeted Support
 - At risk students are provided with the opportunity to participate in social skills groups, academic and self-monitoring interventions, restorative practices and additional structured breaks.
 - 3. Intensive, Individualized Support
 - FBA-based Behavior Intervention Plans are provided to students that require intensive academic and mental health supports from wraparound services and crisis response teams.
- LiveSchool Behavior Tracking is used to share behavior updates and personal goal progress with you and your child. You'll be able to see everything from your phone or computer, including weekly email recaps showing points earned, teacher comments, and rewards redeemed. Our focus is on encouraging positive behavior, and students can use their points to earn fun classroom and school-wide rewards. MULTI-TIERED SYSTEM OF SUPPORTS & BEHAVIOR INTERVENTIONS

What Happens When Students Make a Poor Choice?

When a teacher sees a problem behavior, they decide whether it's something they can handle in class (called a minor behavior) or if it needs to be handled by the office (called a major behavior).

MINOR BEHAVIORS (Teacher Handles in the Classroom)

These are smaller issues like:

- Talking back
- Not following directions
- Playing around
- Saying unkind words

If you show a minor behavior:

1st Time – Warning

Your teacher will remind you of the correct behavior. You'll get a demerit in LiveSchool.

2nd Time – Reteach & Intervention

You'll talk one-on-one with your teacher about what happened.

The teacher might use tools or strategies to help you fix the behavior.

You'll get another demerit, and there will be a teacher/student conference.

3rd Time – Parent Contact

Your parent or guardian will be contacted within 24 hours.

You'll get a third demerit, and your behavior will be documented in the office.

You will serve time in Lunch Detention.

What Happens After 3 Minor Behaviors?

If you get 3 minor behaviors, they turn into 1 major behavior. That means:

Lunch Detention

- You will spend your lunch in detention.
- You will be assigned a detention assignment.
- You do not participate in Recess that day.
- Your parent or guardian will be contacted.

MAJOR BEHAVIORS (Office Handles)

- These are more serious actions like:
- Threatening others
- Fighting
- Vandalism
- Stealing
- Bullying

These can/will lead to:

- Lunch Detention
- Referral to the Office
- Time Out of Room (TOR) and/or Specials
- Excuse from Pep Rally Participation
- Parent Conference with Principal and Teachers

SCHOOL Policies

COMPUTER & INTERNET USE

- Students are expected to follow all school rules when using computers, computer labs, or other school technology. These rules help keep both students and equipment safe.
- If a student does not follow the technology guidelines:
 - They may lose their computer privileges,
 - They may face school discipline, and
 - In some cases, legal action could be taken.
- **Students and their parents/guardians will be held responsible for any damage caused to school equipment** and may need to pay for repairs or replacement. A list of possible repair costs from RPSB is provided below.

Damage	Description	Cost Range
Screen Replacement	Cracked or damaged screen	Estimated cost: ~\$115
Individual Keycap Replacement	If only a few keys are missing or damaged, it may be possible to replace individual keycaps	Estimated cost: ~\$10 per keycap
Keyboard Replacement	Malfunctioning or damaged keyboard	Estimated cost: ~\$50
Charging Port Repair	Repair or replacement of a damaged charging port	Estimated cost: ~\$50
Housing/Casing Replacement	Replacement of the housing or casing due to damage	Estimated cost: ~\$50
Water Damage Repair	Repair of internal components affected by water damage	Estimated cost: ~\$150 or more

- Students are allowed to use school computers and the internet only to do schoolwork and use programs approved by their teacher.
- Students should not:
 - Try to change any computer settings or explore the system.
 - Run programs that aren't approved or listed by the school.
 - Try to do anything on the computer they haven't been given permission to do.

- 5.Remain quiet enough not to distract the driver.
6. Have written permission and be authorized by the principal to get on or off at a stop other than the designated stop.
- 7.Remain seated at all times when the bus is in motion.
8. Keep arms, head or other objects inside the bus at all times.
- 9.Refrain from throwing objects in the bus or out of windows and doors.
- 10.Use emergency exits only for emergencies, and when instructed to do so.
- 11.Refrain from eating or drinking on the bus.
- 12.Avoid the use or possession of tobacco, matches, cigarette lighters, obscene materials, weapons, drugs or other prohibited items on the bus.
- 13.Take no glass objects or other objects on the bus if prohibited by state, federal law or local school board policies.
- 14.Take no band instruments, projects and other objects too large or too hazardous to be held by the passenger or stowed safely under the seat. They will not be permitted on the bus.
