Subject: Transition from PowerSchool to Aspen

Beginning with the 2025-2026 school year, ASRSD will be transitioning from PowerSchool to the Aspen Student Information System.

As part of this change, we will no longer be using the PowerSchool Parent Portal or PowerSchool student registration. Instead, families will have access to the Aspen Parent Portal, which will provide similar tools for viewing student schedules, grades, attendance, and student registration.

The Aspen Parent Portal is scheduled to open sometime in September. We will provide detailed instructions on how to create your account and log in once the portal is ready.

We appreciate your patience during this transition and are confident that Aspen will offer an improved and more efficient experience for both families and staff.
