Important for Emmett High School Students!

First Day Schedule Change for PR2TA Students

On the first day of school, the schedule will be slightly different.

Students who normally attend **PR2TA** during **1st period** should **stay at Emmett High School** to participate in the **all-school assembly**.

Following the assembly, bus transportation to PR2TA will be provided, and the remainder of the day will follow the modified first-day schedule, beginning with 1st period.

Regular PR2TA bus transportation

will resume after the first day:

- **Morning Departure:** 7:18 AM for 1st period
- **Afternoon Departure:** 12:17 PM following lunch

No School Breakfast on the first Day of School!

As in past years, school breakfast will not be available on the first day of school.

Our food service staff are busy with parents coming to pay for meals and complete meal applications. It is the only day of the year we do not provide breakfast. We will be prepared to serve everyone school lunch!

If you haven't yet filled out a Free/Reduced application, they are available on our website, online on Infinite Campus, or at any of our schools.

Transportation & BusRight

This year, the school district Transportation Department will continue to use the BusRight® Parent App to communicate critical information for your student's bus information. When logging into your account, you will be able to see your student's bus number, bus stop location, and pick-up & drop-off times.

New this year - We are also implementing scan on/off cards to each rider that will allow you as a parent to know if your student is on the bus, didn't board the bus, or is already dropped off at school or home! We will be distributing these cards during the first week of school. Don't worry – as we implement this, we will always make sure to transport students even if they don't have their card yet! For older students, we plan to make available a sticker that they can put on their phone case or Chromebook in order to have one less thing to carry and keep track of.

If you don't already have the BusRight® Parent App, please download it from your manufacturer's app store – just search "BusRight". After downloading it, create an account with the email you have registered with the school in Infinite Campus.

It's THAT easy! You are currently able to see the upcoming school year's information, including your students' busing details.

We Appreciate Your Patience!

We are excited to begin a new school year and have many great things in store for our students! Some of our recent changes—such as **ParentSquare and the new tracking system within BusRight**—will bring valuable improvements to our programs and communication here in Emmett.

However, as with any new system, it will take time to implement these tools effectively. We appreciate your patience as we work through the learning process.

In particular, please be aware that there may be **transportation delays during the first few weeks of school**. Training staff and students on the new procedures within the BusRight system means there may be variations in expected pick-up and drop-off times. It also takes time for everyone to become familiar with busing routes and procedures.

We encourage all families to download and use the **BusRight app**, which allows you to view your student's bus location and progress in real time.

As always, our top priority is the **safety and well-being** of our students and staff. In these early weeks, we may take a little extra time to ensure we are following procedures carefully and consistently.

Thank you for your patience and support as we begin this exciting new year!
