

Second Grade Instructional Plan 2025-2026

Course Overview

Welcome to Second Grade! This will be an exciting time for your child. Students will be introduced to academic concepts in literacy and math, as well as explore science and social studies. We will focus on expanding our reading skills and concepts by challenging our students with building upon skills from the previous grades, vocabulary expansion and the ability to engage in diverse genres such as tall tales and fairy tales as well as nonfiction texts. Writing skills and practice will take place in every class, adhering to state expectations. They will learn how to add and subtract up to three-digit numbers with regrouping, begin multiplying and dividing two-digit numbers and continue with two-D shapes. Through hands-on learning, explicit instruction, and structured routines and activities, students will be supported as they transition into a school environment that nurtures curiosity, independence, and confidence.

Classroom Expectations

Our classroom is a safe learning place, which encourages teamwork, positive feedback, and academic achievement. All students will be respectful to others. All students will be good listeners to the teacher and to other's ideas. All students will be hardworking contributors in the process of getting their education in order to be successful and reach their full potential.

Expectation 1: Be respectful

- Use appropriate voice level
- Raise your hand, and wait your turn to speak
- Listen to all instructions and directions
- Stay in your seat and wait for teacher permission

Expectation 2: Be responsible

- Complete all assigned tasks
- Be prepared: Have all necessary materials

Expectation 3: Be safe

Second Grade Instructional Plan 2025-2026

- Always keep your hands and feet to self
- Walk at all times (no running)
- Report problems to an adult

Expectation 4: Be ready to learn and try your best every day

- Come to class on time
- Prioritize daily attendance

Positive reinforcement, visual aids, and clear routines will help students learn and meet these expectations.

If expectations are not met, the teacher will first reteach and remind the student(s) of expectations. If a student continues to fail to meet expectations, they will be redirected, then parents will be contacted. If a student is unable to meet expectations after these preventative measures, an office referral will be made.

Attendance Policy & Its Importance

Regular and consistent attendance is vital to your child's academic and social development. Second grade is essential for future learning, and consistency helps children build routines, develop friendships, and feel part of the classroom community. When students attend daily, they stay current with new skills and practice important habits that support lifelong learning.

Please notify the school if your child will be absent. Frequent or extended absences may make it more difficult for your child to learn necessary foundational skills that ensure student success this year and in future school years.

Learning Objectives

By the end of the first semester, students will be able to:

Using Amplify Knowledge and Skills, students will develop literacy skills such as:

- Demonstrate phonemic awareness (e.g., rhyming, syllables, blending and isolating phonemes)
- Letter-sound correspondence
- Recognize and read high frequency words
- Use drawings, letters, and words to express ideas in writing
- Listen to, think about, and discuss a variety of texts including: fiction, non-fiction, fairy tales and folktales, informational texts about the Greek civilization, human body, and animal life cycles.

Using STEMscopes Math, students will develop mathematics skills such as:

- Developing fluency with counting
- Adding and subtracting up to 3 digit numbers
- Representing number from 1-1200
- Representing numbers on number lines

Second Grade Instructional Plan 2025-2026

- Comparing and ordering numbers
- Fractions
- Multiplying and dividing up to 2 digit numbers

Using SAVVAS Science, students will develop knowledge about science concepts such as:

- Properties of matter
- Force and Motion
- Sound and Volume
- Patterns in the Sky
- Life cycle of plants and animals
- Animal Habitats
- Animal Food Chain

Using Studies Weekly, students will develop understanding about social studies concepts such as:

- Communities
- Government and Citizens
- Geography
- Economics
- State Observances such as Celebrate Freedom Week and Hispanic Heritage Month

Course Resources

- Tablets (provided by Midland ISD)
- Journals and writing utensils (part of the school supply list)
- Amplify, STEMscopes, SAVVAS, Studies Weekly resources (provided by Midland ISD), i-Ready

Grading Policy

According to Midland ISD Grading Policy:

2nd grade teachers will provide students with feedback about their assessments and assignments.

The following guidelines should be observed:

- a. 2nd grade students will receive verbal feedback/praise about their work.
- b. Parents will be notified through a parent teacher conference of any academic concerns.
- c. Student progress and assessment data is confidential and should be treated accordingly.

Assessment results will be reported to parents through the Standards Performance Report which will be sent to parents at the end of each grading period. Teachers will also share assessment results with parents during parent-teacher conferences.

Teachers will conference with parents a minimum of once per semester to review progress, discuss assessment results, and to review the Standards Performance Report.

Class DoJo (School-wide System of Communication)

Second Grade Instructional Plan 2025-2026

Our campus uses ClassDoJo to communicate with families. Please ensure you join our class for important updates.

Please feel free to reach out with any questions or concerns. We are excited to work together to make this a successful year of learning!

Please fill out the portion below and return this portion to your teacher.

We acknowledge that we have read and that we understand the expectations in Kindergarten. We agree to contact the teacher should we have any questions or concerns regarding this instructional plan.
