Dear Crestview Families,

Welcome to the 2025-2026 school year at Crestview Local Schools!

We are excited to welcome all of our students and families- both returning and new- back for what promises to be a year of growth, learning, and opportunity. Our staff has been working diligently to prepare for a successful and engaging school year, and we can't wait to open our doors and begin this journey together.

This year marks an exciting update for our school community. For the first time, all students from preschool through 12th grade will be on the same daily time schedule. This unified schedule is designed to strengthen family routines, improve district-wide coordination and enhance consistency across all grade levels. We believe this change will benefit both students and families as we work together to support a strong start and a successful year.

At Crestview, we remain committed to providing a safe, inclusive and academically challenging environment for every student. We take pride in fostering a close-knit school community where students are encouraged to explore, lead and achieve their personal best.

Communication between school and home is key to student success. We encourage you to stay connected through our website, newsletters and school messaging systems. Your involvement makes a meaningful difference and we value the partnership we share with every family.

We're looking forward to a fantastic year filled with learning, growth and community. Let's make 2025-2026 our best year yet- together as ONE CRESTVIEW.

Sincerely,

Daniel C. Hill, Superintendent
