

Biology

Instructor: Ms. Lee
klee@braymerc4.net

Course Description A basic level biology course with first semester focus on The Study of Life, Cells, and Ecology. This is also a course that will have an EOC at the end of the year which will reflect your efforts in this course.

Materials Needed EVERYDAY:

- Utensil for writing
- Single-Subject Spiral-Bound Notebook – dedicated to science
- Chromebook

Grading:

Grades will be based upon the following criteria:

Class Work – 5%	Quizzes – 10%	Labs – 15%
Sc. Fair Project – 15%	Interactive Notebook – 15%	Exams – 40%

Missing Assignments:

You are responsible for getting assignments and missed class notes when you are absent.

Late work policy: All work assigned Mon-Thurs is due on Friday with the exception of bell ringers which will include that Friday’s assignment, after Friday of the week it is a zero. If you’re absent, you have two days to make up for the day you’re gone.
