Dear Parent / Guardian,

Aramark is proud to offer healthy breakfast and lunch options to all students. We participate in the National School Program, which allows families to apply for free or reduce price meals based on income. Families approved for free – reduced meals are entitled to one free breakfast and lunch per day. A la carte items such as a second meal, snacks and drinks are NOT included and must be purchased separately. Students with a negative balance may not purchase a la carte items even if they are paying cash.

To receive benefits, families must complete a FREE and REDUCED Meal Application each school year. Even if your child received benefits last year.

Cash and checks are accepted at all registers at each school location. You may also deposit funds into your child's account by setting up a mySchoolBucks account.

To access this service:

Go to the district's website at www.manvillesd.org. Link is under Parent/Community

Click the mySchoolBucks link.

Note: There is a convenience fee of \$3.50 per transaction. Manville Public Schools will not profit from the use of this site.

Monthly menus are posted on the school website so you can plan accordingly.
