

What can a volunteer do for me??

1. Read to students
2. Listen to students read
3. Go over word lists with students
4. Practice skills with flashcards
5. Walk around the classroom as children work quietly
6. Hang artwork or put up bulletin boards
7. Work on particular skills (counting money, math)
8. Tell or read stories related to lessons
9. Help students who need remedial work
10. Help students catch up on missed work
11. Provide editing help with writing assignments
12. Play board games with small groups of children
13. Chaperone field trips
14. Stuff envelopes
15. Clean tables, water plants, general classroom maintenance
16. Set up art or science projects
17. Shelf books
18. Administrative/clerical duties
19. Vision Screenings
20. Lunch and playground monitors
21. Garden maintenance

Volunteers are eager to contribute and become an active part of your community. To ensure a positive and effective experience, it's important to always supervise volunteers and align them with tasks that match their interests and skills. This not only keeps them engaged and motivated, but also helps build a stronger, more connected community.
