*James R. Bevere, Ed.D.*  
*Superintendent of Schools*

*JoAnn Young*  
*President – Board of Education*

*Mr. Alex Veston*  
*Assistant Principal*

---

**Dear Class of 2027,**

Welcome back to Pennsauken High School! I hope your summer break was both restful and energizing. As your Assistant Principal, it is with great enthusiasm that I welcome you to your **junior year**—a pivotal time in your high school journey.

Your junior year is often considered the most important academic year. It's a time to focus, prioritize, and truly define the direction you want to take after high school. Colleges, employers, and other post-secondary opportunities often look closely at the work you do this year, so this is your chance to shine, lead, and show your full potential.

This year brings exciting opportunities to challenge yourself both inside and outside the classroom. Whether it's preparing for the SATs/ACTs, taking on AP or honors courses, exploring career paths, or stepping into leadership roles in clubs, sports, and organizations—**now is the time to dig deep and give it your all.**

You are not in this alone. Along with your teachers and school counselors, your **Student Advisors, Mrs. Freeman and Ms. Wright**, are here to support and guide you. They are incredible resources for advice, encouragement, and helping you navigate all that junior year brings.

Remember, success isn't only measured by grades, but also by your effort, growth, and resilience. Stay focused on your goals, ask for help when you need it, and make time for self-care along the way.

Let's work together to make your junior year your strongest year yet, Class of 2027. I'm proud of everything you've accomplished so far, and I can't wait to see how much more you'll achieve.

Here's to a year of hard work, leadership, and exciting possibilities!

**With pride and purpose,**

Mr. Veston  
Assistant Principal
