New combined plan

- Review plan
- Review options for location on site

Group Activity-Round table

- Review combined plan
- Review site options
- Provide input and recommendation for plan to move forward.

What are the next steps?

- Community Meeting #2 Scheduled for June 3, 2024.

Questions, Wrap Up, and Closing

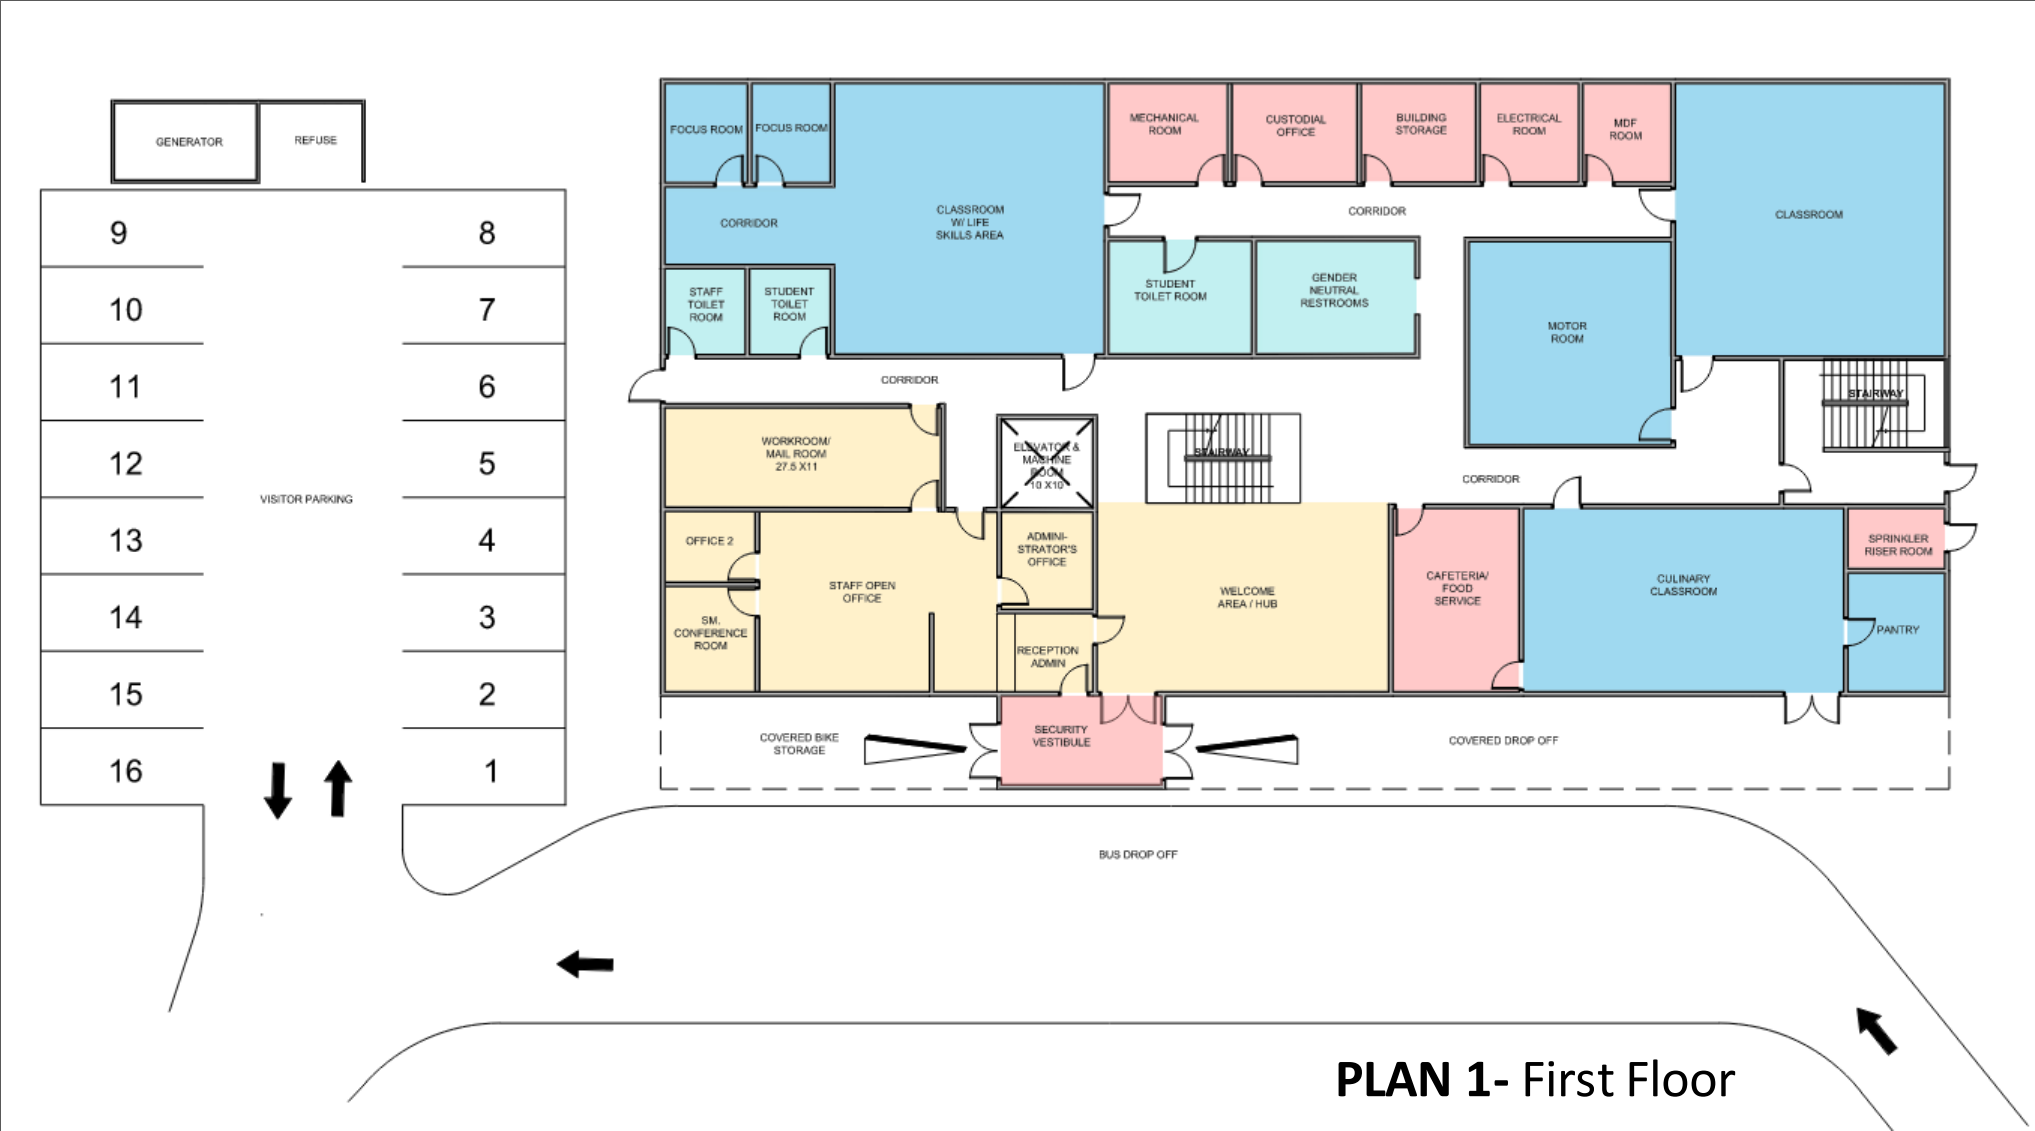

- Entry on Calluna Court won't promote engagement with WCC. How can we shift the primary entry to make it more visibly engaging with the WCC campus?
- Path from WTA to campus – want to make sure that this is safe and doesn't end in a parking lot, and encourages the connection between CT and WCC
- Add connection or path to outdoor space as the entrance to the upper level and connect to the path to campus.
- Street crossing – as is, it may not be in the best location, and a controlled crosswalk would be important
- Back of house spaces should be moved against the parking area.
- Covered bike storage is a must.
- Better access to larger accessible restroom. Wider corridor. Open door out or have sliding door.
- 2 elevators – questions about whether 1 is enough for accessibility given the population. Sized for larger chairs or gurney?
