Kindergarten

Most classes have 22-24 students with one teacher.

The Teaching Assistant is with the class for only part of the school day.

Communication:

You can reach teachers by email.

Some teachers may use Dojo, Remind, TalkingPoints, etc.

Teachers will invite the students to join their Google classroom where you can see information and tasks.

Please remember the teachers are with students during the school day most of the time. They are not usually able to respond to emails or messages immediately. If you have an urgent matter that needs an immediate response, please contact the main office and we will try to assist you.

Join the PTA

The Unity Drive PTA is a great way to be involved in your child's education.

PTA is more than just fundraising. We discuss various aspects of school programs, Arts in Education, Parent/Child events, safety, and much more.

Every dollar from your membership fee goes to the children.

We have meetings every other month beginning in September- usually on the second Tuesday of the month.

Please consider volunteering to help us organize events. Even bite size pieces of time are much appreciated!

Bus Information

Your child will get a bus and class tag in the mail. Please be sure your child wears it everyday for the first few weeks of school.

Your bus route information is on the parent portal as well as in the mailing that is coming to your home.

The bus number is not the painted number on the bus. It is located in the window on a printed sign.

Please be at the bus stop 15 minutes prior to your scheduled time as the bus will not wait for you.

Kindergarten buses tend to run late in the beginning of the year, so please be patient.

Arrival and Dismissal on the Bus

What will bus travel look like?

Students will be required to stay seated and wear seatbelts when traveling on the bus.

Dismissal for bus riders occurs between 3:30 PM and 3:45 PM. Students are walked to their bus. This process takes much time, especially in the beginning of the year. The children are well supervised.

An adult, who is on the bus driver's list, needs to be at the assigned bus stop when the bus arrives. Children cannot be released if there is no adult present nor to an adult who is not on the pick up list at the bus stop. Children will be returned to the building and a parent/authorized adult will be required to pick them up at Unity Dive School.

First day/week of school, transportation may be running late. Please do not panic if the bus does not arrive at the time specified on your transportation information. Drivers may be adjusting to the new routes. Know they are in good, safe hands!

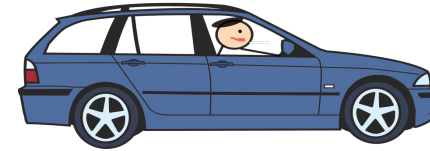

“Where’s the Bus” App

Know where your child’s bus is with a simple app called Where’s the Bus!

Walkers and Car Arrival/Dismissal

Parents who will be driving their child to school/picking up from school **must ONLY park in the parking lot off of Virginia Rd.**

Cars may not park on the street, in front of the building, or in the bus loop. Please be respectful of our neighbors.

You will be ticketed!

Parents are not permitted to enter the building at this time.

Arrival begins at 9:10 AM. Students are dropped off at the Pre-K Entrance and supervised by a staff member as they go to their classrooms. Your child is considered late after 9:20 when the doors close. At that point you must bring them to the front door and sign them in.

Dismissal begins at 3:30 p.m. the doors by Pre-K will open for parent pick up. All adults picking up a student must be 18 years of age or older, have a valid picture identification and the person must be listed on the child's emergency contact card or have a written note from the parent.

Nurse Notes

- ★ Physicals and immunizations are mandated by NY state so if you have not done so, please get them in as soon as possible. Required immunizations **must** be completed within the 14-day grace period after school starts (calendar days). This would bring us to 9/17/25. Physicals are different from immunizations- need height and weight included. Physicals must be dated from 9/5/24 until now to be valid.
- ★ If your child has a medical issue or allergy that you would like to go over or new surgeries, allergies or injuries since registration, **please call or email and provide any pertinent medical documentation.**
- ★ We are allergy aware, not allergen free, so if your child has an allergy, it is extremely important that we know about it so that we can make accommodations if necessary.
- ★ If your child requires medication in school, the nurse **cannot** administer it without a doctor's note with his or her signature. This includes over the counter medication such as Tylenol and even eye drops or creams for eczema.
- ★ If you brought any medication with you today with the MD order (cannot be pharmacy prescription) or the appropriate MCCSD form completed, the nurse can take it today. Medication must be in the original container. Otherwise, you can bring it on the first day of school. Medication must be dropped off by an adult. Please **do not** put any medication in your child's backpack.

Nurse Notes (Continued)

- ★ If you have not received a contact card in the mail yet, you will shortly. Please provide as many phone numbers as you can. This is what we will be using to contact someone if your child is sick or if there is an emergency. Students will only be released to people on contact cards.
- ★ Please keep a set of clothes (seasonally appropriate) in your child's backpack in case of a bathroom accident, or if they spill something on themselves. Please place clothes in ziploc bag with student's name.
- ★ If your child has a bathroom accident and they cannot change themselves, we will be calling you to come in to change them. If your child has a bowel movement bathroom accident, you will be called to come in to change them
- ★ If your child is going home sick, they will be released by the nurse. Please have ID ready to enter the building and then for the nurse to verify.
- ★ If your child is sent home or stays home due to an illness, they must be fever, vomit, and diarrhea free for 24 hours without the use of medication before coming back to school, unless they have a doctor's note clearing them to return.

Meals and Snacks

School meals will be free of charge to students this school year, however if your child will buy any a la carte items (cookies/water) this year, please set up a MySchoolBucks account.

Monthly menus are posted on the district website. We do not send home paper copies. [monthly menus](#)

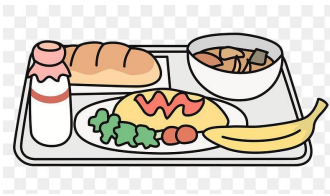

If you will send your child to school with lunch/snack, please note that **ALL CLASSROOMS ARE ALLERGY AWARE**. We ask that you consider nut-free alternatives when sending in snacks and lunches. Some children have other severe allergies, besides nuts so your child's teacher may share some additional considerations in regard to allergies.

If your child has a food allergy/restriction, please inform the school nurse and the main office.

Children will not share food. Areas are cleaned regularly. Food celebrations are kept to a minimum.

SPECIAL ALLERGY NOTE: We have staff and students with latex allergies, therefore latex balloons will not be permitted in the school.

Please help us to keep free meals in the district by filling out the Community Eligibility Provision Form. They are available in the office. You can return the completed form in your child's class folder.

Born to Learn

Children are natural born learners. It is up to the adults to foster and enhance that excitement of learning and discovering!

A Chromebook agreement will be sent home prior to your child receiving one. We must receive the signed agreement back before we send home the Chromebook,

The students will bring their Chromebooks to and from school as per the teacher's request.

Please be sure your student's Chromebook stays in the provided case, is charged, and remains in good condition.

Issues with Chromebook hardware can be addressed by filling out a Technology "ticket" found on the district website. <https://mccsd.incidentiq.com/>

Parent Portal

You will need to set up your parent portal account as per the letter sent to you earlier this summer.

The Portal will allow you to see your child's teacher, bus information, report card and email address/login information.
