

MANDARIN Immersion

Newport-Mesa Unified School District's (NMUSD) Mandarin Immersion Program emphasizes biliteracy and fosters cross-cultural competency in Mandarin and English. Our program prepares students to succeed in a global economy by giving students the skills the future demands. Students immerse themselves in Mandarin through experiential learning and authentic language practice, while also building leadership skills, engaging in cultural events and exploring future careers.

Academic Achievement

Students attain high levels of academic achievement in both languages due to increased cognitive skills and problem-solving abilities.

Bilingualism & Biliteracy

Students develop positive attitudes and appreciation for world languages and cultures in our global society, promoting their involvement in world issues.

Sociocultural Competence

Students acquire strategic thinking, listening, speaking, reading and writing proficiency in English and Mandarin.
