Wednesday August 27 at 6pm – Moon Pupil Services/ School Psychologists

Kate Bunton & Rachel Coyle

- Meet the Moon Area School Districts School Psychologists.
- The Moon Area School District's Pupil Services Department offers a variety of supports to help students succeed academically, socially, and emotionally. This session will guide parents through the options available when a child is struggling, from informal classroom strategies to formal evaluations. We'll also explain how these evaluations can lead to supports such as a 504 Plan or Individualized Education Program (IEP).

Thursday September 18 at 6pm – The Bender Leadership Academy

Bonnie Rubin & Stephanie Law

- Prepare students with disabilities ages 11-22 for the world of work through a series of programs and employer-based experiences. Students develop confidence, independence, and advocacy skills as they move through a comprehensive curriculum. Students present various presentations and projects supporting what they have learned in each program.

Tuesday October 14 at 6pm – Inglis Assistive Tech Solutions

Jeff Ruffing

- Assistive Technology is an often-overlooked tool that can benefit students during transition planning as they prepare to make the jump to college, technical school, or the workforce. Come see a presentation and experience some of these beneficial Assistive Technology tools.

Thursday November 13 at 6pm - Office of Vocational Rehabilitation (OVR)

Lindsay Coulehan & Samantha Sekanick

- Early Reach Coordinators provide Pre- Employment Transition service groups to students in 9th-12⁺ grade. These group services provide work readiness skills to students to prepare them for life after high school.
- Vocational Rehabilitation Counselors provide individual Pre- Employment Transition Service counseling to assist students in determining a career plan in the last 2 years prior to graduation.

Tuesday December 9 at 6pm – RMU Trees Network

Vicki Donne & Deanna Hiltz

- Provides services and training to enhance supports for children and adolescents with disabilities and their families through professional preparation of teachers, continued professional development of teachers and service providers, and direct services to children and families.
