August 19, 2025

To Our Trumbull Families,

As we approach the beginning of the school year, Food Services would like to update you on the some improvements and information for the 2025-26 school year.

This letter contains information about the following:

- Food Charging Policy on our website <https://www.trumbullps.org/fs/resource-manager/view/f1a0e03e-86ad-44e4-ba08-aec0d06421b2>
- Food Services Update and Payment Options for the 2025-26 School Year: Please note there will be a charge for both breakfast and lunch in Trumbull Public Schools
- Equipment upgrades in Frenchtown
- Menu updates in all our Schools

Summer Kitchen upgrades:

Please note that the first day of meal service is Tuesday, August 26, 2025.

This summer Food Services finished upgrading equipment in Frenchtown. These upgrades will greatly increase the quality and variety of food we will be able to offer. This has completed this phase of equipment updates for our Schools. The next project will be our new Hillcrest Middle School

Food Services Update and Payment Options for the 2025-26 School Year

Payments Options: Families may pay for meals purchased in the cafeteria through MySchoolBucks account, cash or check deposited to your student's account.

MySchoolBucks

For your convenience, an easy online payment system is offered to fund and view your student's meal account at [MySchoolBucks](#). Each family can create an account. Login and account information is available on the MySchoolBucks website. ***Please note there is a fixed service fee, per transaction, of \$3.50 associated with this service. This charge is not associated with Food Service department. MSB Family Pass***

Checks

Please make checks out to Trumbull Food Services and include students district ID number. Teachers will collect these envelopes in the classroom and send them to the cafeteria staff daily.

- Middle School and High School students can give check(s) directly to the cafeteria staff marked with the student's name and District ID number.

Cash

Cash can be deposited in your students account in each school location. Please place in a sealed envelope clearly marked with the student's name and District ID number. Students should present the envelop to the cashier during meal service.

Menu website

As Food Services continues to work on communication to our community, This feature will go live in September. Please see the link below.

Menu Development:

Food Services continues to invest in menu development and enhancing the experience for our students. This year we have secured a grant to utilize Locally grown produce in our schools for lunch. This is exciting as it not only gives our students an opportunity to have fresh local produce but we are also supporting the these communities.

Important: Please be aware that there is no Free meal programs at this time for Breakfast & Lunch for the 2025-2026 school year unless your student qualifies for free or reduced priced meals.

The state of CT provides qualifications for eligibility for Free or Reduced Lunch. Click here for more info on the criteria for the application process. <https://www.trumbullps.org/departments/food-service/free-and-reduce-lunch>

As a friendly reminder, account balances for all SY 24-25 will be automatically 'rolled over' to SY 25-26. As always, we appreciate your partnership to provide our students with healthy meals. If at any time you have a question regarding Food Services, feel free to reach ouy.

Thank you for supporting Trumbull Public Schools Food and Nutrition Services. Looking forward to having a wonderful year!

Chris Molyneux
