

Semiconductor Testing

FOUNDED IN 2025

VirtuProbe Labs revolutionizes semiconductor testing and characterization by enabling full virtual remote access to advanced probe stations and test equipment.

SERVICES PROVIDED:

- **Cloud-based platform**
- **Intuitive user interface**
- **Wafer setups in real time**
- **High-resolution live feeds**
- **Semiconductor test floor at your fingertips.**

**VIRTUAL REMOTE ACCESS ·
INTERCONNECT SEAMLESSLY · LOG
IN REMOTELY · VIRTUAL TEST
SESSIONS · VR COMPATIBLE**
