Nassau BOCES photographers will make every reasonable effort to identify the primary subjects in photographs and to not publish photos containing students on the opt-out list. The "Media Opt-Out Form" will be in effect for the current school year and must be renewed annually.

This notification relates to classroom activities or events that occur during the school day that are not already open to the public. Public events such as athletic competitions, theatre productions, and those activities occurring outside the school day are considered open to the public and newsworthy and are therefore not subject to the parental opt-out.
