You may choose to:

- Pay for your own
- Make a contribution to support future banners
- Take advantage of the other veterans & community members who have donated to this project

Guidelines were set in place, with the goal of honoring our senior veterans so they can enjoy seeing their own banner displayed in the Town of Putnam. They are:

- Veteran has a significant tie to the town of Putnam, CT
- Must still be living
- Provide a copy of your DD214 or equivalent (discharge from service records)

These requirements may change in the future and may be limited at any time to particular conflict eras. All requests will be reviewed by and accepted by the VAC.

Your banner can be created if you supply:

- Service photo (relatively good quality)
- Branch of service
- Era served (example WWII, Korea, Vietnam)
