

Skyline College
Middle College

What is Middle College at Skyline College?

Middle College is where students take control of their education, through a partnership with our local high school districts and the SMCCCD. This partnership provides students in 11th and 12th grade with an exciting and challenging learning environment where they are able to accelerate their academic success, by completing their high school graduation requirements, begin accumulating college credits and develop their career goals.

College & Career

VISION & MISSION

Our vision is to prepare and empower college and career ready graduates with the mindsets and skills required to become contributing members of society and to achieve academic and career success through their intellectual, personal and ethical growth.

VISION

Our mission is to ensure students graduate from high school and are prepared for college and careers through the integration of high school, college, career technical education, and real world experiences.

MISSION

Program Learning Outcomes

Upon completion of the program, Middle College students will reach the following outcomes:

Social Justice (75%)

- Middle College students will be able to identify unfairness on the individual level (e.g., biased speech) and injustice at the institutional or systemic level (e.g., discrimination).

Social Emotional (75%)

- Middle College students will develop mindfulness skills of themselves and others that appreciates diversity and conveys respect.
- Middle College students will learn to set goals that enhance their social emotional well-being and develop their leadership skills.

Academic Standing (90%)

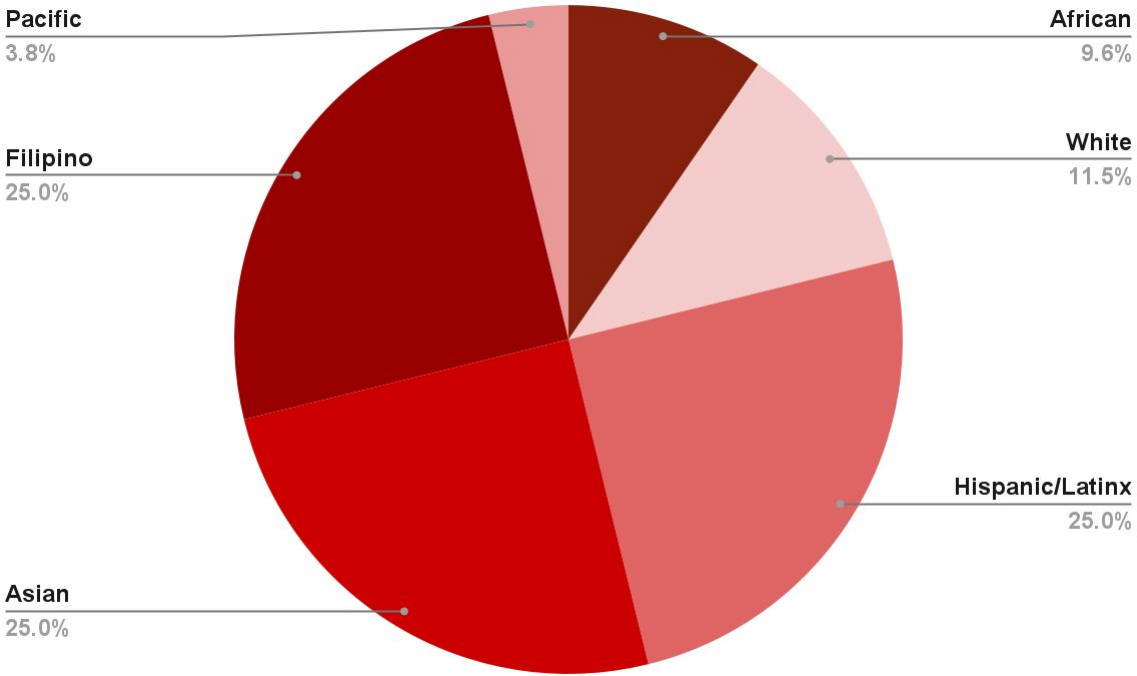

- Middle College students will maintain good academic standing (2.0 GPA or higher) per semester.

Educational Goal Achievement (90%)

- Middle College students will graduate w/their high school diploma and minimum of 36 college units their senior year (2-year program).
- Middle College students will identify their academic and professional passions, talents, and interests, and create a plan to pursue them

Middle College is Dedicated To Each Students

Social and Emotional Wellness

- SEL Framework infused in our High School classes
- Focusing on the **"whole person"**, not just **"the student"**
- Supporting students using a trauma-informed lens

Real World Learning

- Facilitating student ownership over the ways in which they demonstrate their learning
- Providing students with opportunities to have/develop a their voice
- Realizing that each student is unique and their opinions, culture and whole being is valued and welcomed in our Middle College community
- Grounding work in anti-racist beliefs and practices

Feeling Welcome & Safe

- Creating spaces where students feel welcome, seen, heard and supported
- Removing barriers of oppressive systems in our learning environment
- Offering more opportunities to students who have been historically underrepresented in college
- Ensuring students feel comfortable and confident in higher educational spaces through designated class cohorts.

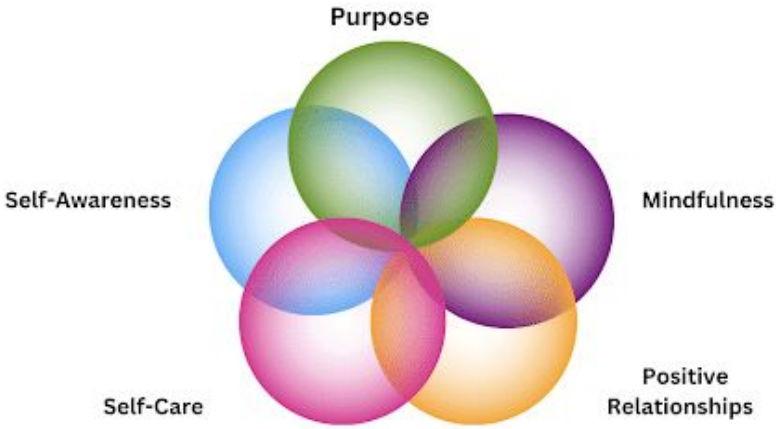

Benefits of Middle College

- Take classes in a mature learning environment on a beautiful and welcoming campus
- Earn college credits while still in high school
- Access to a wide variety of courses not available at home high schools
- Increased individualized attention
- Build community, friendships & leadership skills
- Students entering as juniors can earn between 39-60 transferable college units by graduation.
- $250 Book Voucher per semester to rent or purchase college books
- Chromebook or iPad to use while in the program

Curriculum

In the Middle College our culturally relevant curriculum focuses on providing the students we serve with real world learning experiences through diversity, social justice, inclusivity and community building all while learning about themselves, their peers and community. This allows them to develop a voice and feel empowered and included.

The 5 Pillars of Resilience

In the Middle College, we work with our students to strengthen these pillars, helping and encouraging them to be more resilient. Instead of experiencing an overwhelming downward spiral when they encounter stress, these five pillars work together to lift them out of the chaos they are feeling.

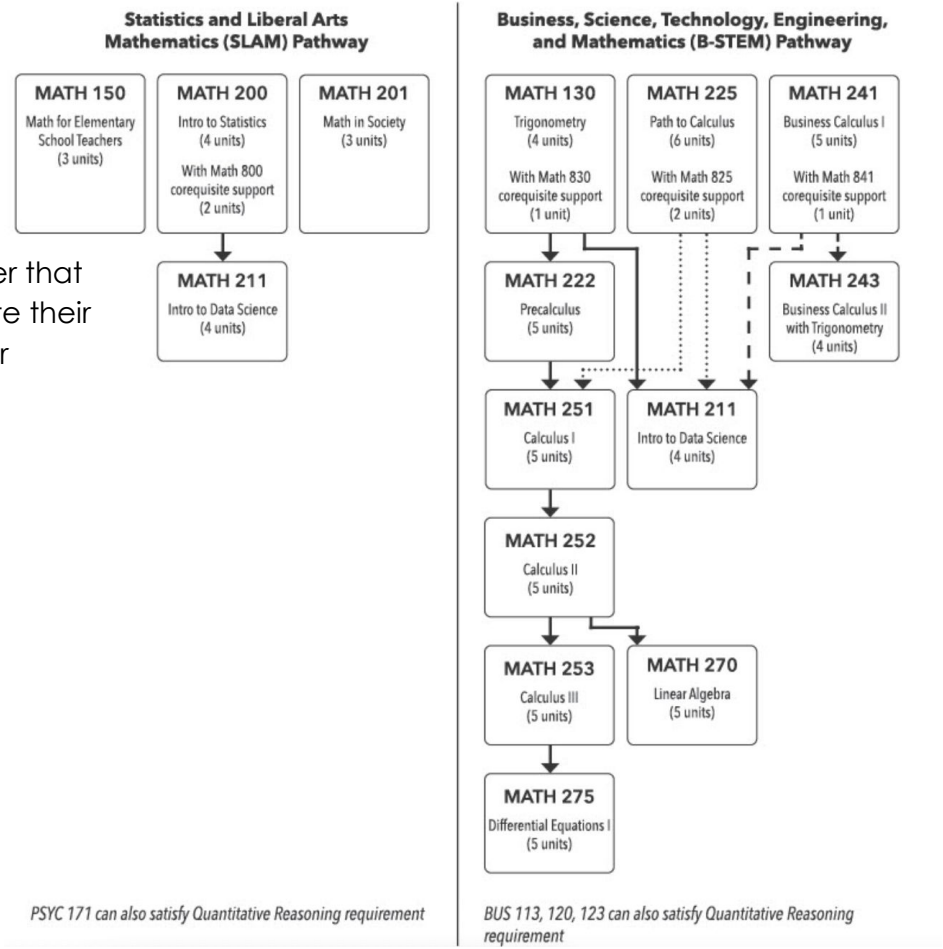

Middle College Math

Skyline Middle College offers 4 sections of math classes per semester that are cohort restricted for MC students to ensure all students complete their 3rd year of math and begin their math sequence if needed for their major:

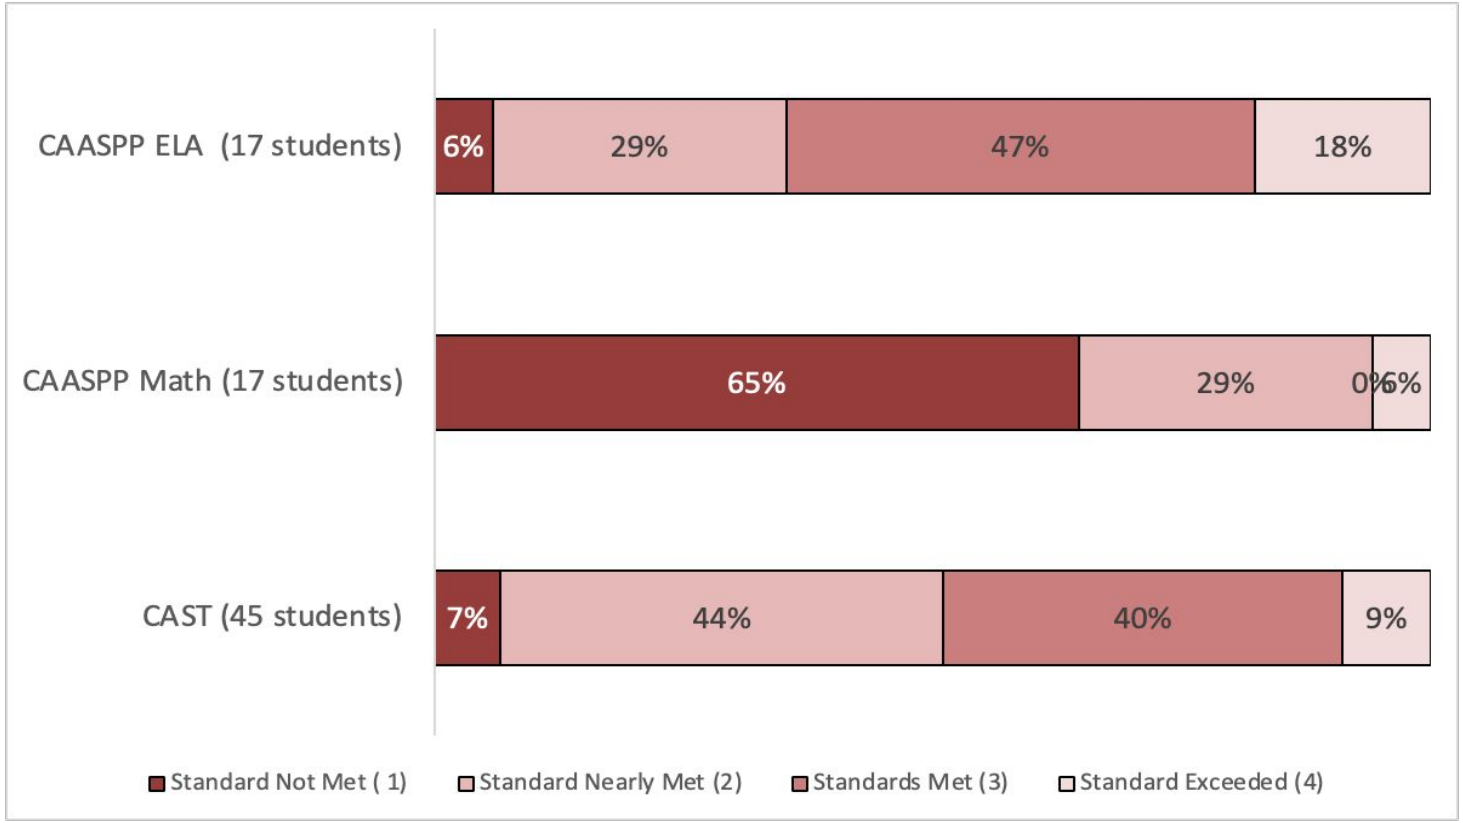

Math 120: Algebra 2 (for students needing this course)
Math 200: Statistics
Math 225: Path To Calculus
Math 251: Calculus

We provide Math support within our program using the following:

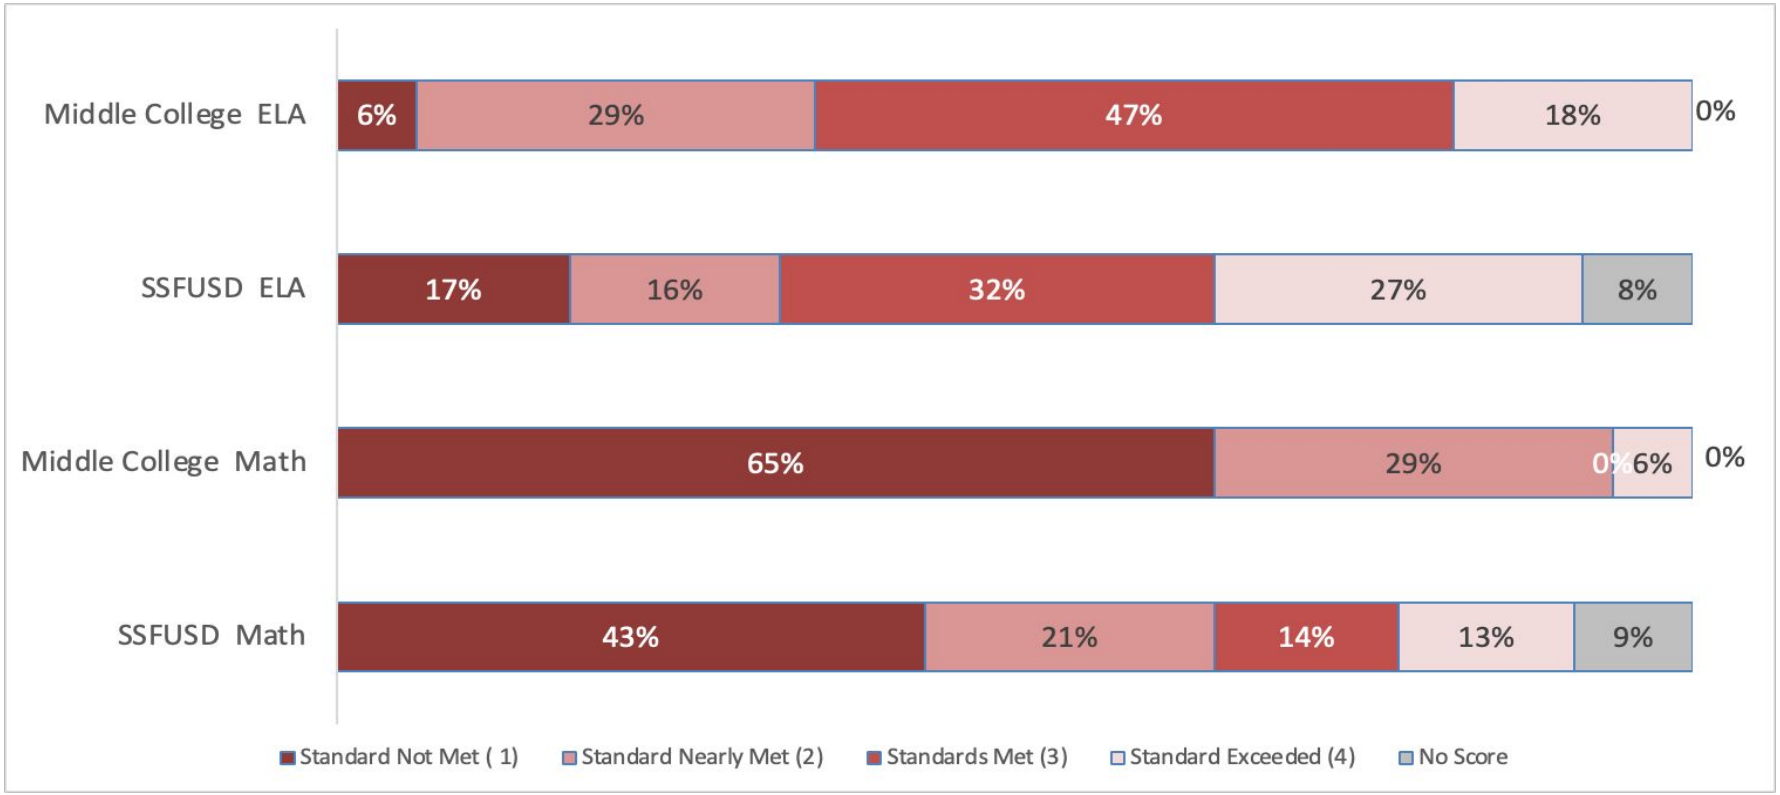

•Peer Teams (Middle College)
•Study Hall/ Weekly Tutors (Middle College)
•SI & Embedded Tutors
•Learning Center

IGETC Transferable Units

Skyline COLLEGE

2020-2021 Intersegmental General Education Transfer Curriculum (IGETC)

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that fulfills all lower-division general education requirements at all California State University (CSU) and most University of California (UC) campuses/majors. It is also accepted by some private / independent or out-of-state universities. IGETC is usually recommended for students who intend to transfer to a CSU or UC campus, or who are not yet sure of their intended transfer university.

Completion of the IGETC pattern is not a requirement for transfer to the CSU or UC, nor is it the only way to fulfill the lower-division general education requirements. Students transferring to CSU campuses may find it advantageous to follow CSU-GE requirements. Students transferring to UC may also complete campus specific breadth requirements. Please note: IGETC is not recommended and/or acceptable for some colleges and majors within the UC system. Please consult with your counselor.

NOTE:

- IGETC does not guarantee admission to any CSU or UC campus. Please consult with a counselor regarding limitations or restrictions on IGETC acceptance.
- All courses for IGETC must be completed with a grade of "C" or better.
- Courses listed in multiple areas shall not be certified in more than one area except for some courses in Languages Other Than English (AREA 6 LOTE), which ***may be*** certified in both Areas 3B and 6.

Legend

Transfer Credit is limited by either UC or CSU or both. Please consult with a counselor.
■ Separate Lab Activity Course
● Includes Lab Activity within the course
+ Cross-listed Course

Complete the following courses before transfer:

Area 1 - ENGLISH COMMUNICATION — 6 - 9 semester units
CSU: 3 courses required - **one** from **1A, 1B, and 1C.** **UC: 2 courses** required - **one** from **1A and one** from **1B.**

1A: ENGLISH COMPOSITION		**ENGL** 100#, 105#
1B: CRITICAL THINKING	*AP Exam not accepted*	**ENGL** 110, 165
1C: ORAL COMMUNICATION (*CSU only*)	*AP Exam not accepted*	**COMM** 110, 127, 130, 140, 150

→ 11

SUPPORT SERVICES

Educational Access Center

The EAC provides accommodations, counseling, assistive technology, and support services to students with documented disabilities in accordance with State and Federal law, to help ensure our students with an IEP or 504 plan feel supported.

Open Office Hours

Our high school teachers have open office hours 3 hours a day to develop relationships with our students, provide extra academic support, answer questions, go over assignments, grades etc.

Personal Counseling

Middle College offers brief confidential individual counseling, crisis intervention, mental health and substance abuse assessments, and community referrals. Talking about issues and concerns in a safe and confidential environment can enable students to become more successful in their classes and personal life. These services are offered through the Skyline College Health Center.

Academic Coaching/Tutoring

We provide academic coaches and tutors for all of students in both their high school and college courses. We have embedded tutors in our high school classes. As well as tutors to support our students as they take transfer level math.

Retention Specialists

Middle College has two Retention Specialists one for each grade cohort. They meet with the students regularly to ensure students are feeling welcome and adjusting to their classes and new learning environment. They support students emotionally and academically. Meet with teachers and college professors to ensure academic success.

- Helps students transition from their home high school
- Sends out progress reports/report cards
- Sets up parent meetings if needed to work as a team for the student
- Liaison between the home high schools and Middle College to ensure graduation requirements are being met.

Middle College Lounge

Our lounge is "hub" where students can study, get tutoring, print papers, meet with our Academic Counselor, the Middle College Team, complete group work, and hang out. The lounge is open from 7:30am-5pm.

Nicole (Class of 2019)

UC Berkeley

Middle College gave me the chance to get a head start in my education. It allowed my mom that was battling cancer to not have to worry about paying for college and made me eligible for multiple scholarships. I am forever thankful for this opportunity.

BA: Public Health, Psychology and Cognitive Science (class of 2023)

Currently in the Masters of Public Health Program at Berkeley.

Malcolm (Class of 2024, SSFHS)

"I came to Middle College to explore classes so I would be able to determine what I really wanted to major in. This program has allowed me to get a head start and guide me into my passion for film and cinematography".

- **Tri-Athlete**
- **Dean's List**
- **Works Part-Time**
- **BSU Member**
- **Founding member of the Community Service Club**

Graduated with: 87 transferable college units

Earned: 2 Associate's Degrees

- **Letters & Sciences**
- **Arts & Humanities**

Received: SMCCD Academic Scholarship
$40,000 African American Academic Scholarship

Attending: Morehouse (entered as a freshman/junior)
Major: Cinema, Television and Emerging Media Studies

Payton (Class of 2024, SSFHS)

“I joined Middle College because the opportunities here allowed me to soar to heights I never would have achieved at my home high school”

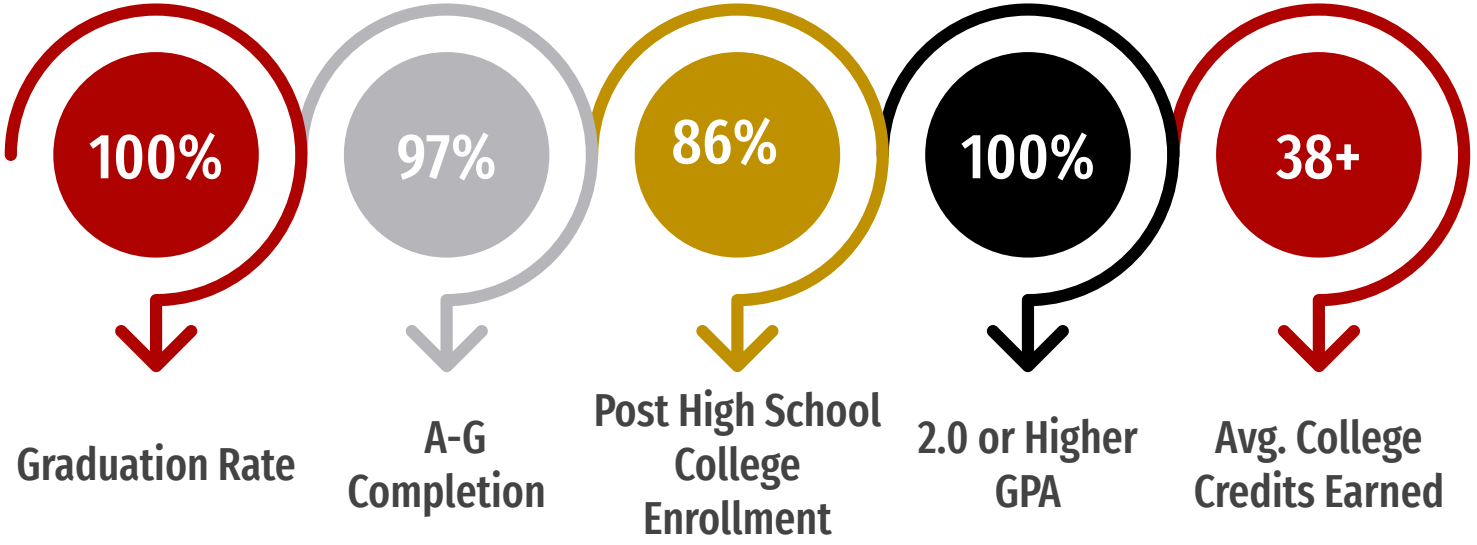

- **Tri-Athlete**
- **Phi Theta Kappa**
- **Dean’s List**
- **BSU Member**

Graduated with: **64** transferable college units
Earned: Intersegmental General Education Transfer Curriculum certificate for CSU/UC achievement and STEM

Received: 2024 National Football Foundation Scholar Athlete Scholarship
Dr. Nadeau Athletic Scholarship

Attending: UCLA (this fall)
Major: Engineering or Business.
