

Students that have passed their driving test can register for parking. Please do not register if you have not passed your driving test.

This year, each driver will be assigned (by Mr. Villeta) a designated parking spot where you will park all year. Only on Orientation day you can park in either McKay or McKenna lot, after that you will be required to park in your designated spot.

Please follow the steps below to register for parking.

1. Fill out the form (thru link below) and submit all required information
2. **Make sure you complete the payment link (which is after you submit your personal/car info). Cost is \$80. You will not be able to pick up your pass without payment.**

Distribution of passes will take place on your Orientation day. **In order to pick up your pass in your Homeroom from Mrs. Tucker you will need to hand in a copy of your Driver's License and a copy of your car registration card (must be stapled together). You will not be able to pick up your parking pass without handing in both copies.**
