

Inspiring and transforming lives through singing! Established in 2007, Bay Area Youth Singers is an independent, non-profit organization in the Clear Lake area that fosters a love of music.

Bay Area Youth Singers is a weekly choral experience during the school year focused on singing technique, music literacy, and performance preparation. Singers will develop work ethics, build self confidence and see the results of individual and group long-term effort.

Rehearsals are on Mondays, Sept. 8 - May 18. BAYS welcomes singers from public, private, charter, and homeschools in the greater Bay Area - students entering Grades K-12 (Fall of 2025) - boys and girls with treble voices.
