

MEET YOUR TEACHER: MRS. PARYZ

This is Mr. Paryz and I at an Alaskan glacier this summer!

Hello! I am happy to welcome you to room 24 at the Iroquois Intermediate School! Fourth grade is an exciting year. You will spend time in 2 classrooms- I will teach you math, science, and social studies, in room 24, and you will travel next door to Ms. Watkins' room for ELA. We will also be joined by Miss Griffin to help with some of our lessons. We will learn about the Middle Ages, the Iroquois, volcanos, electricity, long division, and much, much more. We will also have tons of fun creating and learning with new friends!

Here's a little information about me! This is my 8th year teaching at Iroquois and 17th year overall. I enjoy being creative with brain teasers, cardboard, Rubik's Cubes, and fidget toys. I love to boat with my husband, family, and our two silly dogs Maverick and Maggie. I had a great summer boating at Silver Lake and I took a trip to Alaska! It was beautiful! I can't wait to tell you about it and I can't wait to learn more about you!

Mrs. Paryz's Favorites!

COLOR: teal
animal: dog
BOOKS: City of Ember
DRINK: Caramel Iced Coffee
CANDY: Hershey's chocolate
HOBBY: Waterskiing and Boating
Team: Go Bills!

MEET YOUR TEAM TEACHERS: MS. WATKINS AND MISS GRIFFIN

Hello! I am Ms. Watkins! This will be my 12th year teaching at Iroquois. I have 3 children who are all Iroquois graduates. I spent the summer relaxing and having a lot of fun with my family and friends. I went hiking, kayaking, swimming, read several books, and I did a little traveling. I also spent time with my dog and cats (I love animals). I can't wait to learn more about you!

Greetings! My name is Miss Griffin. This will be my 20th year teaching—19 of which were at Iroquois. I'm well known for my elaborate Halloween costumes and I love to go hiking with my 5-year-old Westie named Sadie.
