

Dear CBA Students and Parents,

The CBA Performing Arts Department would like to formally invite you to join our family in the fall. There are many ways to get involved in the arts here at school. For those who play an instrument, Jazz Ensemble, Modern Band, Rock Ensemble, Chamber Music Ensemble and Basketball Pep Band are performing groups that play and compete at various events at CBA and throughout the state. In addition, the CBA Men's Choir and Music Ministry ensembles are groups catered towards vocalists and singers. In addition, our Rock program is always looking for vocalists.

Another way to get involved at CBA is by joining Pegasus Production Company, our student-run theater group. This group offers students the opportunity to be part of a fully functioning production company. While we encourage anyone interested in performing on stage—whether acting, singing, or dancing—there are many other ways to participate. Some students play in the pit orchestra, others manage lights and sound, build sets, or handle the business side of the company. This includes promoting the show on social media, recording videos, or managing finances. No prior experience is necessary—just a desire to be part of a supportive creative community.

If you'd like to see Pegasus in action, we invite you to attend our performance of Pippin, running August 1st–3rd in Henderson Theater on the CBA campus. Once the school year begins, you can get involved by auditioning for the fall show on September 10th, or by attending one of our general interest meetings on September 9th or 16th to learn about backstage opportunities. We look forward to meeting you! For more information about Pegasus Production Company, feel free to contact Mr. Marcos Orozco at [morozco@cbalincroftnj.org](mailto:morozco@cbalincroftnj.org).

We pride ourselves in the opportunities we are able to provide for Performing Arts Students at CBA. In March of 2025, the CBA Music Department traveled to Boston, MA and in March of 2023 we traveled to Nashville, TN. In recent years, the theater and music groups have traveled for competitions at Brookdale Community College, the State Thespian Festival, Piscataway High School, Cleveland, Ohio, and more. We are hoping to continue to travel this year throughout NJ, but also make our way out of state for bigger destination performances in the coming years. Multiple music department students have been accepted to All Shore Jazz Ensembles, CJMEA Region Symphonic Band, and we were even hosts of the 2022, 2023, 2024, 2025 All Shore Jazz Festivals. This year, 3 of our students were accepted into All State Modern Band and we even sent a student to All East Modern Band in Connecticut.

***This summer we are happy to announce that we will be hosting the 2025 CBA Music Camp. The camp will run July 7th-11th, 10am-3pm.***

CBA Music Camp is open to all incoming instrumentalists and vocalists (you can do both). There are opportunities for jazz, choir, classical, and rock/contemporary music. During this week, students will develop skills and techniques on their instruments or voices and be able to improve their playing ability. To register for the camp, go to <https://www.cbalincroftnj.org/website-forms/cba-music-camp-registration/> to register and submit payment online or scan the QR code below.

There are a lot of ways to get involved in CBA Performing Arts. In the beginning of the school year, look for the Homeroom announcements regarding our first rehearsals. We hope to hear from you and see you in the fall! Please reach out if you have any questions or concerns. For more information, please email Mr. Christian Lopez ([clopez@cbalincroftnj.org](mailto:clopez@cbalincroftnj.org)) who would be happy to answer all of your questions.

Sincerely,

***Mr. Christian Lopez***
