Dear TCA Family and Friends,

TCA's Board of Directors would like to share some highlights from the August 14, 2025, meeting:

Celebrate TCA
TCA is blessed to have many talented young people. This month we celebrated two students who won national recognition through writing. America 250 is an organization charged by the U.S. Congress with commemorating the 250th anniversary of the founding of our nation and their essay contest invited students to reflect on the question, "What does America mean to you?" Grace, a 6th grader, and Ava, an 8th grader shared their winning submissions with the Board. There were only 150 winners nationwide, and two hailed from TCA. Congratulations, Titans!

Board Appointment and Officers for this Year
The Board Member Appointment Committee recommended Mr. Phillip Fleming to fill the open seat, and the Board unanimously approved. Mr. Fleming has three children attending TCA East Elementary and two more that are excited to be Titans in the next few years. He is a senior engineering project manager for Apple. We are excited to welcome him to the Board and grateful for his expertise, perspective, and willingness to serve.

In addition to seating Mr. Fleming, the Board elected new officers for the 2025-26 school year:
Mrs. Kelli Hawkins – Chair
Mr. Steve Young – Vice Chair
Mrs. Laura Moffat – Secretary
Mr. Ben Brightwell – Treasurer

Capital Construction Update
The Capital Construction Committee provided an update on the forward movement of the East Campus construction project. The "Hut" (CP's Academic Advising modular) has been temporarily moved to the front of East Campus in preparation of the new gymnasium and classroom space construction. The committee believes TCA is within budget for all project needs and anticipates ground-breaking in late September.

As always, if you have any feedback for the Board, email us at talk2tcaboard@gmail.com.
We look forward to seeing everyone at our back-to-school nights!

Laura Moffat
Board Secretary
