Dear Wyoming Primary Schools Families,

What an incredible first few days it has been! As we step into this new school year together, I am eager to partner with you in continuing the strong tradition of excellence and care that defines our schools. Our dedicated teachers and staff have been working hard to prepare warm, engaging, and challenging learning environments that will help our children grow both academically and socially.

Together we set our students up for success by engaging in consistent, clear communication and I hope you will find that our schoolwide newsletter helps to ensure that you are well informed. This newsletter will be emailed each Friday with important updates and upcoming events.

It is HOT outside. Be sure your child dresses for the heat and brings a water bottle with their name on it to school each day. Students are encouraged to take their water bottles to recess.

Please note these important upcoming events:
