WELCOME BACK!!!

Welcome to the 2025-2026 school year!!! First and foremost, CONGRATULATIONS on being selected to be a member of our team! We are excited to welcome our students to the Tribe Academy as we move into our third year of establishment here at Creekside High School! The academy provides a unique opportunity for students to garner the classes

and credits required to graduate in May 2025 while simultaneously having certified teachers to support them in learning and understanding their coursework. We appreciate having both administrative and county support in offering a verified alternative to traditional classroom education to fit the unique needs of our student population. Included in this newsletter you will find pertinent information that should be kept as a valuable resource to stay up-to-date with the expectations of both the academy and of the senior year!
