Last Revised: May 7, 2025

WHERE IS THE One Team, One Goal: Our Family- School PLAN AVAILABLE?

The One Team, One Goal: Our Family- School Plan and all other Title I information are available on our school's website at <https://rse.walkerschools.org/> under the Title I Section. Families can also find paper copies of this Family and Community Engagement Plan in our Family Engagement Center. Feedback can be sent to the Parent Instructional Coordinator, Jessie Stokes, at 706-764-1383

HOW IS THE One Team, One Goal: Our Family- School PLAN DEVELOPED AND REVISED?

It is reviewed and revised at least annually during the Planning Meeting in the spring. All feedback forms from the Planning Meeting are submitted to the Office of Federal Programs for review. Families who are not able to attend the Planning Meeting have the opportunity to review draft documents and provide input during the draft document review period.

COMMUNICATION

Frequent two-way communication with families about student learning is highly encouraged. Some of the ways we can foster communication include Parent Teacher Conferences, School website ([rse..walkerschools.org](https://rse.walkerschools.org)), Email, and phone calls from teachers, Parent Instructional Coordinator, and Parent Outreach Liaison. Residential facilities in our district are also included in the activities and correspondence for family engagement.

Parents may request a meeting with a teacher throughout the year by contacting the teacher through email located on the school's website, sending in a note with the student, or calling Rock Spring Elementary at 706-764-1383

OUR DISTRICT GOALS:

Reading: At the end of the 2026 school year, we will see a 3% increase in the percentage of students who are proficient and above on Georgia Milestone ELA assessments from the 2025 results.

Math: At the end of the 2026 school year, we will see a 3% increase in the percentage of students who are proficient and above on Georgia Milestone Math assessments from the 2025 results.

OUR SCHOOL GOALS:

Reading: By May 2026, students in grades first through fifth grade will improve their math score measured by MAPS assessment and/or GA Milestones. A five to eight percent increase in math will be achieved.

Math: By May 2026, students in grades first through fifth grade will improve their reading score measured by MAPS assessment and/or GA Milestones. A five to eight percent increase in reading will be achieved.

WHAT IS A One Team, One Goal: Our Family- School PLAN?

It is a plan that describes how our school will provide opportunities to improve family engagement that will support student learning at school and at home. All students and their families are invited and encouraged to fully participate in the opportunities described in this plan. The school will provide information and as many opportunities as possible for the participation of all family members.

It is a written agreement that outlines how the school, the students, and the families will work together to ensure your child's academic success. An effective School-Family Promise contains the following elements:

- Clear learning goals that are linked to the school's improvement plan
- Specific skills students will learn during the year
- Strategies that staff, families, and students will use to improve student learning
- Ways to extend learning at home
- Methods teachers and family members will use to communicate about student progress
- Opportunities for family members to observe and participate in the classroom
- Jointly-developed by families, school staff, students, community business partners, and other stakeholders during our Planning Meeting
- Reviewed and revised throughout the year during parent-teacher conferences and

building parent capacity activities.

ENGAGING AND EMPOWERING FAMILIES WITH...

Title I Program Information: Program information is available during the Title I Planning Meeting in the spring and Annual Parent Meetings in the fall, on the school website, and in the Parent Center.

Curriculum Information: Knowing what your child is learning at school is important. We will keep you informed throughout the year about what your child is learning during parent meetings, conferences, eCLASS, and on our school website.

Student Progress Monitoring: The Parent Portal is an online resource that allows families to view grades, attendance, schedules, assessment, and your child's results, course history, and much more. Monitoring your child's progress in school is an important way to be engaged.

Staff Training: We will train our staff to effectively communicate with you. Your input on how we train our staff is valuable.

Communication: We will communicate, to the extent feasible, all information with you in a language and format you understand. Whenever possible, we will provide interpreters during parent workshops, and academic events. Translation is available for most documents.

Transition Support: Entering a new school can be scary for both students and families. We will host events to make sure both you and your child are aware of what is expected and how you can prepare as your child transitions to a new school level, college, and career.

Parent Resources: We have many resources available for checkout to use at home with your child. We also host several parent workshops to empower you as you work with your child at home.

Opportunities are listed below:

Open House- Fall

Virtual Title 1 Meeting- Fall

Your Input Matters Survey- Fall

Infinite Campus Training- Fall

MAP Test Scores & Activities- Fall, Winter, & Spring

Georgia Milestones Workshop- Spring

FE Spring Evaluation Meeting- Spring

5th Grade Transition Family Night- Spring

Doughnuts with grown-ups and Pastries with Parents- Fall & Spring

FACE Shuttle Mission/Community Outreach- Fall & Spring

WORKING TOGETHER TO ENSURE SUCCESS

Rock Spring Elementary School will...

- Provide ongoing informational sessions and workshops to increase parental capacity by sharing resources and strategies to help students become successful learners.
- Provide remediation and enrichment support, along with family communication, to enhance the learning of each student both academically and emotionally/socially.
- Will invite and engage with families and business partners during school wide events such as Curriculum, Literacy, Math, and STEM Nights.

As Students, we will...

- Participate in SEL time and restorative practices using strategies to develop my social and emotional learning.
 - Read nightly, study for tests and quizzes and complete assignments.
- Share invitations with family and ask them to take me to school wide events such as Literacy, Math, and STEM Nights.

As Families, we will...

- Attend parent workshops to learn skills and strategies to support our children in their academic success. ○ Take our children to school-wide events such as Literacy, Math, and STEM Nights.
