Dear Hoover Middle School Community,

I hope you have had a wonderful summer and found time to relax, recharge, and make special memories together.

I am honored to be joining Hoover Middle School as your new assistant principal. Having served Franklin Middle School for the past three years, I'm thrilled to continue my journey here in a role that allows me to partner with our amazing students, families, and staff. I look forward to working collaboratively with Principal Dean Johnson, Assistant Principal Chrissy Zona and all of you as we begin the year united in our commitment to supporting one another and helping every student thrive.

My passion has always been to help students grow academically, socially, and emotionally while creating a school environment where everyone feels safe, valued and inspired to succeed. Your warm welcome has already shown me why Hoover Middle School is such a special place — a caring, connected community that works together to ensure students feel supported, valued, and challenged to reach their full potential.

As your assistant principal, I will strive to build strong relationships, celebrate successes, and listen to your ideas and feedback. You'll see me throughout the school — in classrooms, hallways, and at events — connecting with students, cheering them on, and supporting our staff in creating an engaging, safe, and inclusive learning environment. Together, we will build on the traditions that make Hoover Middle School great while continuing to find new ways to grow and innovate.

I'm truly excited to be part of this community and I look forward to an amazing year ahead.

Sincerely,

Laura Wagner
Assistant Principal
