Policy No. 6810
Management Support

ENERGY MANAGEMENT/EDUCATION

The board recognizes the responsibility to develop and maintain programs to support the conservation of energy and natural resources. In recognition of this leadership responsibility, the district shall strive to (a) institute effective energy management and (b) provide information and develop conservation attitudes and skills for the students it serves.

The superintendent or designee is authorized to establish annual energy management goals, annual energy education goals, and extrinsic rewards to school buildings in recognition of conservation accomplishments.
