

Sun Valley Athletics

Game Day Expectations

As we begin another exciting year of athletics at Sun Valley, thank you for your continued support of our student-athletes. To ensure a safe and enjoyable environment for everyone, please be reminded:

- No bags or drinks are permitted inside the stadium during games.
- There is a nationwide shortage of referees and officials across all sports. Please treat referees, game workers, coaches, and athletes with respect at all times.
- Cheer for your team, not against the opponent. Negative comments, booing, or disrespectful behavior will not be tolerated.
- Profanity, inappropriate language, or disruptive conduct has no place at our events.
- Students and younger fans must remain in the stands during games unless visiting the concession stand or restrooms. Running around the facility is not permitted.
- Follow the directions of school staff, security, and game workers at all times to ensure safety and order.
- Leave the officials, coaches, and players to do their jobs. Please enjoy the game as a supportive fan.

Thank you for helping us create a positive game-day atmosphere where our student-athletes can compete, grow, and represent Sun Valley with pride. We look forward to seeing you at the games this season!
