Senior Parent Night - Wednesday August 27th 6:30 PM Leadership Center

Dear Parent of a Senior,

All parents of a senior are encouraged to attend this program. The college counselors, Mr. Gerry O'Brien, Mr. Danny O'Farrell, and Mr. Mike Rodewald will explain Marian's procedures for the college application process.

The presentation will be recorded for parents that are not able to attend Senior Parent Night. Information about how to view the presentation will be emailed to parents and also included in the September College Counseling Newsletter.

Seniors **DO NOT** have to attend this program - the college counselors will meet with the seniors in English class for Senior Orientation during the first week of school. During orientation, the counselors will explain the procedures for submitting applications, requesting letters of recommendation and transcripts, and college application deadlines.

Common App (www.commonapp.org)

The Common Application is used by more than 1,100 colleges and universities. In Illinois, 56 colleges and universities use the Common App, including all 12 public universities. In Indiana, 36 colleges and universities use the Common App, including Ball State, Indiana State, Indiana University, and Purdue University. All Big 10 and Ivy League universities use the Common App. Here are some of the colleges and universities that Marian seniors traditionally apply to that use the Common App - DePaul, Hampton, Howard, Illinois Wesleyan, Lewis, Loyola, Morehouse, Saint Xavier, Spelman, St. Mary's (IN), Tuskegee, U of Chicago, and U of Notre Dame.

Seniors created a Common App account last May when the college counselors visited English classes. The college counselors will go over the Common App with they come to the College Room for Senior Orientation.

Common Black College Application

The Common Black College Application is accepted by 67 HBCUs. A complete list of all 67 colleges may be found at <https://commonblackcollegeapp.com/>. A student may apply to as many of the 67 colleges as they want for only \$20.

Test Optional Update

According to Fair Test (www.fairtest.org), there are over 1,800 colleges and universities that do not require test scores for admission. However, it is important to check with individual schools because while a school may be test optional, test scores may be required for certain majors and/or scholarships.

Information about ACT (www.act.org) / SAT (www.collegeboard.org)

For more information and to register for either test, go to the websites listed above.

Marian is a test center for the ACT on September 6th - the late registration deadline is **August 19th**.

There are two more ACT test dates in first semester - October 18 and December 13.

SAT test dates in first semester are September 13, October 4, November 8, and December 6.

Self-Reporting Grades / Test Scores

Several universities do not require a student to submit a transcript and / or test scores. Students self-report their grades and / or test scores. If a student decides to attend the university, they will need to submit official test scores later in March and a final transcript next summer after they have graduated. Seniors will learn more about this during their orientation.

Free Application for Federal Student Aid (FAFSA)

Marian will host a Financial Aid Night for College later in the fall. Check the Marian newsletters and the College Counseling newsletters for the date and time of this program.
