THE SCHOOL AND COMMUNITY

St. Joseph's Academy is a Catholic, college-preparatory school for girls, serving grades 9-12. It was founded in 1868 by the Sisters of St. Joseph and is the oldest high school in Baton Rouge, the capital of Louisiana and home of Louisiana State University and Southern University. The school is in an urban setting and draws students from seven parishes.

One hundred percent of our students are accepted to a college or university. SJA is a five-time National Blue Ribbon School awardee. SJA was honored by the U.S Department of Education in 1991, 1996, 2002, 2016 and 2023. For the third year in a row, SJA was named a STEM School of Excellence by the International Technology and Engineering Education Association.

The faculty consists of professional educators, many of whom have advanced degrees. SJA is accredited by the Louisiana State Department of Education and the Southern Association of Colleges and Schools since 1931 and is a member of the National Association for College Admission Counseling, the Southern Association for College Admission Counseling and the College Board. SJA complies with the NACAC Statement of Principals of Good Practice.

MISSION STATEMENT

The mission of St. Joseph's Academy is to educate young women as responsible and unifying members of the world community. In the spirit and charism of the Sisters of St. Joseph, St. Joseph's Academy offers opportunities for faith development in the Catholic tradition, academic excellence and personal growth.

CURRICULUM

SJA's school year is divided into two academic terms. The school day is divided into eight class periods of 50 minutes each. The maximum number of credits earned per semester is 7, with some students earning 8. Students may choose an AP course in 10th grade but are limited to a maximum of five AP classes per year in 11th and 12th grades. SJA uses a standard letter grade scale (A, B, C, D and F) without pluses or minuses on a 7 point scale through 2024-2025. Beginning in 2025-2026, the standard letter grade scale will continue to be used, but on a 10 point scale to be consistent with the Louisiana State Department of Education Mandate for public schools, effective 2024-2025. SJA awards an additional quality point to AP and Honors courses, and both weighted and unweighted GPAs are reported on the transcript. SJA does not report class rank. The student-run technology Help Desk provides diagnostic and repair services for students and faculty in our 1:1 laptop school. St. Joe Dough (cookie company), the first student-run business at SJA, began a new chapter in entrepreneurship education with its launch in 2024-2025. SJA opened a dedicated broadcast journalism studio in 2024-2025.

DIPLOMA REQUIREMENTS

Students must successfully complete 25 units of high school credit for graduation.

4 English	3 Social Studies	4 Science	4 Mathematics	
2 Foreign Language	1 Fine Art	4 Theology	2 Health & PE	1 Elective

SERVICE REQUIREMENT

Students are required to complete 70 hours of community service from 9-12, with 15 hours/year each in 9th and 10th grades and 20 hours/year each in 11th and 12th grades. Students who complete 50+ hours in a year receive the SJA Community Service-Learning Award.

OUTSIDE THE CLASSROOM

SJA students are busy young women. Students participate in more than 40 organizations, including cultural groups, service organizations, varied arts, media, political, entrepreneurial and academic clubs. Nearly 38% participate in one or more of the 12 athletic teams in 14 sports. Five teams won state or national championships in 2025, and 24 members of the class of 2025 signed national letters of intent to complete at the collegiate level the following academic year.
