

Colorado Springs School District 11

COMMUNITY RESOURCE DIRECTORY

Welcome Families, Students, School Staff and Community Partners.

The following pages provide a place to learn about the services and support for students and families in the Colorado Springs communities that are commonly requested.

As a school community, we understand and value that our families have a major influence on a student's achievement. When schools, families, and community groups work together to support learning, students tend to do better at school, stay in school longer, and like school more. The agencies listed offer a variety of resources for students and families. If you have specific needs, please contact your child's school and ask to speak with the school counselor for additional information and resources.

The listing of any organization in the list of community resources does not imply that the organization or the goods and services offered have been endorsed by the Colorado Springs School District 11 nor is the list inclusive of all agencies and organizations in our communities. All numbers are local and have a 719 area code unless otherwise indicated.

Colorado Springs School District 11 maintains this Resource Guide to enhance public access to information about local community resources. The inclusion of any organization, agency or service in this Resource Guide does not imply or constitute an endorsement or recommendation, nor does exclusion imply disapproval.

Colorado Springs School District 11 neither guarantees nor makes any representations as to the accuracy or completeness of the information contained in its Resource Guide.

Colorado Springs School District 11 does not claim responsibility for any actions taken by any of the organizations or agencies included in the Resource Guide. Under no circumstances shall Colorado Springs School District 11 or its employees be liable for any direct, indirect, incidental, special, punitive or consequential damages which may result in any way from the use of the information included in this Resource Guide.
