D. STATEMENT OF PRESIDING OFFICER

In compliance with the Open Public Meetings Act (Chapter 231, P.L. 1975), I hereby state that notice of this **Regular Meeting** has been provided to the public by a written notice dated January 15, 2025 (date of published notice)

The Meeting Notice has been:

1. Emailed to all staff members at the district's 3 school locations.
2. Communicated to The Record.
3. Filed with the Borough Clerk of Palisades Park.

E. REVIEW AND DISCUSS RESOLUTIONS TO BE VOTED ON AT THE REGULAR MEETING

Regarding Policy, Ms. Soo Chung requested that policies are updated on the website right after they are approved by the Board to ensure quick adoption by the administration.

For School Safety and Security, Ms. Rebekah Lee requested that a police officer always be stationed at the cross walk by the High School because cars run the stop sign while students are crossing. Dr. Cirillo stated he would remind the police that they should remain stationed.

F. ADJOURN WORK SESSION: OPEN REGULAR MEETING

Motion to adjourn work session and open special meeting.

G. REPORT OF THE BOARD PRESIDENT

Soo reminded the board members of upcoming events in May and June, including the Celebration of Asian American and

Pacific Islander Month, the Memorial Day Parade, High School Senior Awards Night, and the Spring Concert.

H. REPORT OF THE SUPERINTENDENT

- Teachers of the Year - Michele Lee
- Athletic Director of the Year
- Chronic absenteeism- CAP

Tyler Jung, Student Representative, shared several upcoming events at the Junior/Senior High School. In May, sophomores, juniors, and seniors completed their AP exams, which ran from May 5 through May 16. Currently, NJSLA state testing is underway, with the final math sessions scheduled for tomorrow and Friday. On May 28, the Sportsmanship Award Luncheon will be held in Weehawken, along with the Senior Awards Assembly. From May 27 to June 6, the Class of 2028 will be holding their final Survival Kit sale. Additional events include the PPHS Spring Concert on May 29 and a Drunk Driving Awareness presentation on May 30. Looking ahead to June, the National Honor Society ceremony and the 7th & 8th Grade Pool Party will take place on June 3. Senior Prom is scheduled for June 4, followed by the Senior Pool Party on June 5. The Drama Club will host its end-of-year party on June 10. Finally, on June 13, the HOPE Club will present a concert featuring student performances, accompanied by Korean food and drinks.

Dr. Cirillo recognized several individuals for their outstanding contributions and achievements. He acknowledged the Teachers of the Year, who were honored earlier that day at the Bergen County Teachers of the Year ceremony held at the Teaneck Marriott. Although Amy Padron, the honoree from the Early Childhood Center, was unable to attend the meeting, Dr. Cirillo invited the present award recipients to be recognized: Michelle Lee from Lindbergh Elementary School and Mr. Mark Arabito from the Junior/Senior High School. Dr. Cirillo also honored Mr. Dino Elopoulos, who was named Athletic Director of the Year in the Liberty Division. Additionally, the Palisades Park Junior/Senior High School received special recognition for its contributions to the 50th Annual Bergen County Teen Arts Festival. A certificate, signed by the Bergen County Commissioners and the Bergen County Executive, was presented in honor of this achievement, acknowledging the school's positive impact on nearly one million residents of Bergen County. Congratulations were extended to Mr. Garcia, Mrs. Baez, the high school faculty and staff, and—most importantly—the students, for their dedication and accomplishments.

I. REPORT OF THE BOARD ATTORNEY

Aaron Mandel addressed the board, acknowledging the complexities involved in balancing community needs. He reflected on the previous meeting, noting the passionate input from various groups advocating for different issues. Mandel emphasized that while many have spoken about the importance of retaining staff and offering competitive compensation, the board is faced with the challenge of working within a finite budget. He pointed out that this past year, the board not only raised the budget to the maximum allowed under the standard 2% cap but also utilized the full extent of additional permissible increases. Now, the task lies in how to allocate those funds. He noted that allocating more funds toward salaries may limit the ability to retain or hire staff and similarly impact the ability to support programs like the Italian language course, additional class offerings, and necessary facility improvements. Mandel concluded by underscoring that the board must make difficult decisions with limited resources, and prioritizing one need often comes at the expense of another.

Anthony Rotundo - Teachers deserve higher compensation than they currently receive. During a special meeting, the Board initially had a quorum; however, Sookyung left before the meeting concluded, resulting in the loss of quorum. It should be recorded in the meeting minutes.

Parent of a student - Inquired whether the 2025–2026 school year will begin without an athletic trainer and expressed concern, particularly given the absence of a full-time nurse in the schools

Student - Asked who on the Board or within the district is responsible for determining when an athletic trainer or medical support is required for student-athletes. Also emphasized the need for behavioral analysis services to support students with mental and learning disabilities.

Student - High school senior. Expressed concern over the continued reduction of programs, including athletics and special education. Requested clarification on what financial changes have led to these cuts, what—if anything—is planned to replace the eliminated programs, and how the district plans to support students moving forward in the absence of these services

A student presented a petition with 144 student signatures in support for the athletic trainer.

Italian National Honor Society students - This is the fifth time concerns have been raised about the removal of Italian classes, a decision opposed by both students and teachers. The Board is urged to review the benefits of the program and consider reinstatement. Students have excelled in national Italian exams. The Honor Society raised over \$800 for charity last year—\$100 each to the Joyful Heart Foundation and Make-A-Wish Foundation, and \$300 each to the American Heart Association and the Breast Cancer Research Foundation. Without the program, these charitable efforts can no longer continue.

Also support was expressed for the urgent need for an athletic trainer to support injured student athletes and teachers advocating for fair contracts.

Anieska Garcia - Expressed appreciation for Cody's assistance when their daughter was injured during a sports event. Urged the Board to prioritize supporting teachers and resolving contract negotiations promptly.

Peter Longo - Raised concerns about the Pre-K program, noting that while the district received significant funding, it must expand classrooms annually and enroll more students. Questioned the use of outside sites, the hiring and supervision of external teachers, and plans for expansion this year. Also stressed the importance of selecting a superintendent familiar with the district and recommended forming a committee of parents, PTA, students, and teachers to guide the process.

Maria Alvarez - ex board member of 9 years. Ms. Alvarez shared that their daughter successfully advocated to study both Spanish and Italian, and now uses her Italian skills in her career. Emphasized the value of keeping the Italian program and urged the Board to collaborate with teachers.

Student - Expressed concern about the lack of an athletic trainer and limited funding for student activities. Requested transparency on how related funds are being allocated.

Student - Expressed concern over lack of athletic director.

Patricia Alton - Raised concern that if a student has an allergic reaction and there is no nurse on-site, a nurse from another school would need to drive over, causing a delay in treatment. Warned that such a situation could result in serious harm and potential legal liability for the district.

Ricardo - Emphasized that students are the most important priority, as they represent the future.

Maureen Tansey - Questioned whether a cost analysis has been conducted regarding the decision to eliminate the athletic trainer position and use an outside company. Noted that outsourcing may be more expensive and that an external provider would not have the same personal connection with students as the current athletic trainer.

Student - Urged the Board to consider the community's sentiments and emphasized the importance of focusing on the district's needs rather than wants.

President of the Korean American Association - Basketball camp will be taking place this summer with a very experienced coach.

Student - Emphasized the need for greater consideration of future students, noting the risks of not having an athletic trainer and the loss of opportunity to study Italian.

High School Teacher - Expressed frustration with the ongoing teacher contract negotiations, raised concerns about the current and future potential loss of staff, and noted the amount of money paid to the Busch Law Group.

Student - The students need an athletic trainer and a nurse at every school.

Amy Pierce - Raised concern about only offering Korean and Spanish in school when many students already speak these languages at home, questioning the educational benefit. Reiterated the need for full-time nurses in schools.

Joseph Sperlazzo - Expressed concern over the lack of funding for student athletic support and school maintenance. Questioned when funding will be available for these needs and asked for clarification on where current funds are being allocated.

Motion to close audience participation.

Motion: Rebekah Lee

2nd: Soo Chung

All in favor – aye

Ms. Soo Chung inquired about which meeting was being referenced regarding the questioned quorum. Mr. Rotundo clarified that it was the meeting on April 11th. The Board agreed to review the meeting video and provide a response.

Ms. Chung also requested confirmation that Ms. Anieska Garcia was a Board member who participated in the Negotiations Committee for past teacher contract discussions. Ms. Chung further asked whether Ms. Anieska had thoroughly reviewed all the contracts and their respective language at that time. Ms. Anieska confirmed that she had.

Dr. Cirillo congratulated the baseball team for winning a league championship.

He addressed audience concerns about the absence of an athletic trainer and the Italian program, explaining that no final decisions have been made. The athletic director is still employed and he continues to work on a plan, though personnel matters limit the details he can share. Dr. Cirillo expressed disappointment over the reduction of the Italian program but emphasized the need for schools to evolve with community changes, and is comparing the world languages offerings to other similar-sized Bergen County schools.

Responding to Ms. Vasquez's funding question, Dr. Cirillo clarified that federal funds received were allocated exclusively for HVAC upgrades. He also acknowledged Mr. Palazzo's concerns, noting the district is underfunded and capped at a 2% funding increase. Despite efforts to secure adjustments, the district is still tens of millions short, per the Department of Education's adequacy formula.

Regarding Mr. Longo's comments on the PreK program, Dr. Cirillo confirmed the district is on track with its 5-year plan,

expecting 210 students aged 3 and 4 by September. He added that the district was encouraged to collaborate with private providers to ensure they remain operational and reassured that they maintain the same teacher certification standards.

Ms. Chung shared that during her first NJSBA workshop, she was told that board members often work in roles that go unappreciated. She expressed gratitude to her fellow board members, recognizing the significant time and effort they've dedicated to board business. She highlighted negotiations as an example of their dedication, noting their efforts to improve employee contracts for the benefit of future staff.
