- ☒ Establish an Indian Parent Committee (our is called the Native American Family Committee) using the district's existing procedures for establishing committees.
- ☐ Collect [506 forms](#) and submit a count for Part 1, due March 5, to establish the funding for our Title VI grant (more forms = more funds).
- ☐ Conduct a local community needs assessment to prioritize the unique educational and culturally related academic needs of the Native American/Alaska Native students in our district. The NAFC will use the information from the needs assessment to identify what our Title VI objectives and activities will be.
- ☐ Develop the Title VI project (objectives/goals and activities that will meet those objectives) and application with the participation of the Native American Family Committee.
 - The project (objectives and activities) that the funds will be used for must be based on a comprehensive needs assessment.
 - The application must describe how the district will coordinate the Title VI services with the services offered through the federal programs we receive.
 - The application must show how we engage in Meaningful Collaboration, Open Consultation, and NAFC Committee Approval for the application. [What do those terms mean? [Title VI Meaningful Collaboration Chart](#) and [Tribal Consultation](#)]
 - Begin Meaningful Collaboration (to be determined)
 - Open Consultation: Schedule and hold a public hearing to share information about the proposed application and project description and gather feedback.
 - The application must describe how we will ensure equitable access to Title VI program services ([General Education Provision Act, Section 427](#)).
 - The application must show how we will give preference to Native American/Alaska Native people when providing training or employment in connection with the Title VI grant.
 - The application must be approved by a vote of the Native American Family Committee.
