

MACLAY SCHOOL

A TRADITION OF SUCCESS

M/M.
Street Address
Tallahassee, FL ZIPCODE

Dear M/M

Senior formals have been taken and the members of the Class of 2025 are taking historic steps to record their senior year at MacLay School. As part of this process, members of the yearbook staff are already making preparations for the 2026 *Marauder* yearbook and we would like to provide you with the opportunity to purchase a senior recognition ad. Purchasing an ad in the yearbook allows you to recognize and congratulate **STUDENT'S NAME** on **his/her** accomplishments and **his/her** journey to graduation.

If you are not familiar with this tradition of showcasing your student's life, you need only look as far as any *Marauder* yearbook. If you do not have a copy of the *Marauder* available, you can view one in the front office of MacLay School or in the Marian Lawton Langford Library on campus. We have also included a few sample ads from previous yearbooks.

If you are interested in purchasing space in the 2026 *Marauder* yearbook, please return the enclosed contract to the school. For your convenience, a self-addressed stamped envelope is enclosed. Contracts to reserve space will be due by Monday, September 8, 2025. Payment, digital images, and messages for all ads will be due by Monday, September 29, 2025. Camera ready ads are due Oct. 6 (see below). If you are in need of additional contracts for aunts, uncles, grandparents or other relatives and friends, you may make copies of the contract or contact us for additional contracts.

The staff is happy to design your ad for you; however, if you wish to design and submit your own ad, please be sure it is submitted at a minimum of 300 dpi and that it is in the form of a jpeg or a high-quality pdf and in the correct size (see chart below) (Due Oct. 6). If a yearbook staff member will be designing your ad for you, please note that the staff does not guarantee the return of any media storage; therefore, it is recommended that you obtain professional photographic images or scans made of your original photos. **All images submitted to the yearbook staff must be 300 dpi.** Most photo centers will scan photos for you and save them on a storage device for you.
