Please consider SSC for next year, we will have a lot of money to decide where to spend • NWEA scores have gone up, math and ELA grew, regressed in TWBI
6. Public Comment (2 min.)	Chair	Mr. A <ul style="list-style-type: none"> • We will be voting for SRO this evening. teachers and Staff voted. 65% voted yes to SRO. %35 voted no. not everyone voted. • Blanca said most of parents that she talked to said yes. Patricia says she would feel more safe • Thadd feels it will add to a calm to the students. Tegan and Natacha agree • Mr. Avalos says it would be good because it is an open campus and good for the safety of staff. • Padover reminded us that Hoover is the only school without an SRO. The officer would be plain clothed but armed. • Claire feels the more adults on campus the better • Pete looks forward to more adults on campus would help. Disagrees with an officer being armed on campus. • Carrabino says in the past officer did not do very much to interact with students. They refused to help with some situations. • Padover remembered a situation where police were not helpful with called upon. • Leedy says sometimes officers on campus were in uniform. SROs may have more training. • Pete has concern over who has oversight on the officer • Blanca not all officers work the same and hopes that if we do get an officer that they will be different than in the past. • Mr. Avalos would like SRO to be walking around, not just sitting in the office • Tegan at bacharot had an officer, they would interact with students, handed out stickers. Students had a good experience and thinks it's worth trying.
7. Unfinished Business (0 min.)	Principal	
8. New Business (30 min.) SRO Voting for positions	Principal	SRO <ul style="list-style-type: none"> • Takes guidance and directives from principal • 0 funds from Hoover. Money is from DO • Will not be in uniform but will be armed with a gun • SRO will not handle any discipline. • Pete, would an SRO step in if there were a fight on campus? Mr. A, anyone on campus would need to step in if there were

		<p>a life-threatening situation. Verbally try to stop wrong interactions.</p> <ul style="list-style-type: none"> • Pete, is there an option for taser versus a gun? Mr. A says it's policy and required there needs to be a gun. • One of their main concerns is to patrol the perimeter. Community safety. For example, our trespasser in the girl's locker room and the parent that walked up to a classroom and confront students • Concerns from Mr. A are at times we have had a student hit by a car. Parents parking in the red. • Many students do come up to officers asking for stickers. • Some teachers have voted yes because of their trust in Mr. A. I do not want officer just sitting in office. Officer would be a female officer. SJUSD Chief Sal feels the SRO would be a great fit for Hoover. • This would be a year commitment. We will vote every year. • Pete, could we have a trial period for the SRO. Mr A, it will be a year-to-year commitment. If something atrocious happened, I would cancel the SRO. • Padover, will there be lethal and non-lethal weapons on the officer? Mr. A, officer will not have a full belt. Most likely hidden. • Claire, does trace and Lincoln have SRO. Yes in high schools, no in elementary. • Main role is to secure perimeter. Safety of students before and after school. Not sitting in office all day. • There would be a lot of shadowing of admin and direction from admin • Pete, what are the hours? Mr. A we don't have that planned out. • Motion to vote ayes count 6, opposed 3. Abstaining 1. Ayes pass <p>Voting for positions</p> <ul style="list-style-type: none"> • This will be our last SSC meeting of the year. • Pete last year, Padover one more year, Blanca one more, Johanna last year. • Nominations for third parent.
