

COMMUNITY HIGH SCHOOL  
TEANECK, NEW JERSEY

TRIP RELEASE

I hereby give permission for my son/daughter \_\_\_\_\_ to participate in all school excursions or trips which may take place during the school year. I understand that this includes any trip off school grounds supervised by any of the Community School staff. I understand that school buses and/or private cars may be driven by Community School staff. I grant permission for my son/daughter to participate in all High School activities while on these trips. I further understand that on trips where students will be returning to school after the prescribed hour of school closing I will be informed in order to make the necessary transportation arrangements.

In regard to trips, parents and students should be aware that ALL school rules and regulations (as per the Community High School Behavioral Handbook) will apply and that significant sanctions may be imposed should students fail to abide by any specified regulations. More importantly, because trips are off school grounds, all regulations of any municipality en route to and from any trip location will apply as well. The school is compelled to report any municipal violations and will do so.

Additionally, parents and student should understand that despite the fact that the school will take the best safety precautions in regard to the activities involved in these trips, the trips may involve the potential for injuries inherent with travel. I acknowledge that even with the best procedures, injuries common to travel are a possibility. I acknowledge that I have read and understand this prior to signing below.
